TWRA

and boating was no exception. The TWRA reported a noticeable increase in traffic on the state's lakes and rivers.

Preliminary numbers indicate about 30 percent of the 2020 fatal incidents had alcohol/drugs as a contributing factor. In additions to the fatalities, there were 61 serious injury incidents that injured 82 individuals and 82 additional property damage incidents.

During the year, TWRA wildlife officers made 62 boating under the influence (BUI) arrests. With the increase traffic, calls for service saw a leap. TWRA officers strive to practice social distancing to help protect the public as the pandemic continues.

As the new year is underway, TWRA wildlife officers would encourage the boating

public to help keep Tennessee waterways safe by doing things such as:

- 1) Take a boater safety course.
- 2) Wear your life jacket while out on the water.
- 3) Be aware of the water conditions around dams, both above and below.
- 4) Always boat with a sober operator. Operating impaired is a crime.
- 5) Report unsafe operation, boat accidents, or law violations to your nearest TWRA dispatch center.

Contraband Arrest At RMSI

A former TDOC employee has been charged with Introduction of Contraband into a Penal Facility. William Chamberlain was arrested Friday, January 15, at Riverbend Maximum Security Institution (RMSI).

When he reported to work Friday morning, Chamberlain was unable to successfully clear the security checkpoint. Officers discovered that Chamberlain was attempting to bring tobacco, marijuana, and cash into the facility.

Chamberlain, a former correctional officer, was immediately arrested by officers from TDOC's Office of Investigations and Conduct. He admitted to attempting to bring the contraband items into the facility and was transported and booked into

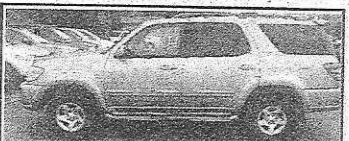

the Davidson County jail.

"The introduction of contraband into one of our prisons by anyone is a felony offense and a threat to the safety of our team, the offenders we supervise, and the public," TDOC Commissioner Tony Parker said. "We remain committed to working with local law enforcement to vigorously prosecute anyone who attempts to bring in contraband whether it is an inmate, visitor, or staff."

TDOC's non-negotiable mission is to operate safe and secure prisons and provide effective community supervision in order to enhance public safety. TDOC encourages anyone with information about potential security concerns or contraband to call the department's 24-hour anonymous tip line, 1-844-TDC-FIND (1-844-832-3463).

Meth

Eric Tipton, 31, Nichols Road Lenoir City, was charged with Violation of Order of Protection x2, and Interfere with Emergency Call.

Deputy W. Jenkins LCSO, responded to a domestic disturbance at Nichols Rd.

When Deputy arrived on scene he made contact with complainant, victim 1, and victim 2, on the porch. They advised Deputy that Eric Tipton, offender, was inside high on meth and acting crazy. The victims also advised Deputy that the offender had a pocket knife.

Victim one also advised Deputy that when she picked up the landline to call 911 the offender picked up the other landline and made the line

busy in an attempt to interfere with the victim calling to report the emergency. Victim one had to physically remove the phone from the offender in order to call. Deputy entered the house where he made contact with the offender, detained him, and took his pocket knife away. The offender was profusely sweating despite the cool temperature, and had mannerisms consistent with meth intoxication.

The offender advised Deputy he had just used meth. Dispatch advised me that the offender has a full no contact order of protection against each of the above victims. The offender was transported to the Loudon County Jail.

This did happen in Loudon County Tn.

New Features Added to COVID-19 Website

Updates to Interactive Map, County-specific Pages Simplify Use

The Tennessee Department of Health and Tennessee's Unified Command Group have added new features to the COVID19.tn.gov website to make it easier for users to find county-specific information and request an appointment for COVID-19 vaccination.

The COVID19.tn.gov website provides a simple tool for Tennesseans to find their phase in Tennessee's COVID-19 Vaccination Plan. Updates to this tool make it easier for eligible users to request a vaccination appointment with their county health department. Find the tool at <https://covid19.tn.gov/covid-19-vaccines/eligibility/>.

The website also offers an interactive map where Tennesseans can select their county to learn the risk-based and age-based phases currently eligible for COVID-19 vaccination and how to request a vaccination appointment. New county-specific pages offer information including current local vaccine availability. Find the map at <https://covid19.tn.gov/covid-19-vaccines/county-vaccine-information/>.

A new video explains the registration process for users. Find the video tutorial at <https://covid19.tn.gov/covid-19-vaccines/>.

The COVID19.tn.gov website also offers dashboards and daily reports with state and county-level information including case counts, hospitalizations and tests conducted. This site serves as a resource Tennesseans can use in making decisions about activities for their families, businesses and communities as the COVID-19 pandemic evolves.

COVID-19 vaccine supplies remain limited, and availability of vaccines varies by county. Tennessee counties may progress through COVID-19 vaccination phases at different times depending on supplies of vaccines. Tennesseans can learn their phase for receiving vaccine at <https://covid19.tn.gov/covid-19-vaccines/vaccine-phases/>.

The mission of the Tennessee Department of Health is to protect, promote and improve the health and prosperity of people in Tennessee. Learn more about TDH services and programs at www.tn.gov/health.
