Chad Nicewarner, 42, Lakeland Drive Lenoir City, was charged with Aggravated Assault.

Deputy Rodriguez LCSO, responded to Lakeland Drive in regards to a domestic assault between spouses. Upon arrival, Deputy came in contact with the Victim. Mrs. Victim advised Deputy her and Chad Nicewarner, Suspect, had been talking about divorcing and she told him she was leaving him on 10/05/2021. Victim stated Mr. Nicewarner became irate, broke a hair brush, and her phone. She attempted to scream out the window and that is when Mr. Nicewarner grabbed a pillow and placed it over her face. She further advised while Mr. Nicewarner had the pillow over her face he kept putting pressure on the pillow to the point she could not breath. Victim advised she was in fear for her life and thought she was going to die. She was

Corruption

Knoxville, Tennessee.

Acting U.S. Attorney Francis M. Hamilton III, of the Eastern District of Tennessee, and Federal Bureau of Investigation ("FBI") Special Agent in Charge, Joseph E. Carrico, made the announcement.

The participant law enforcement agencies in this investigation include the FBI Knoxville High Intensity Drug Trafficking Area Rocky Top Task Force, FBI Knoxville Smoky Mountains Economic Crimes Task Force, Sevier County Street Crimes Unit, Sevier County Sheriff's Office, Sevierville Police Department, Pigeon Forge Police Department, Gatlinburg Police Department, Tennessee Department of Revenue - Special Investigations Unit, Tennessee Bureau of Investigation,

Tennessee Highway Patrol, Humphreys County Sheriff's Office, FBI Miami, Miami Gardens Police Department, Hialeah Police Department, Fort Lauderdale Police Department, Miami-Dade Police Department; and the Medley Police Department.

Assistant U.S. Attorney Kevin Quencer will represent the United States in the prosecution of this case.

The ongoing investigation leading to the indictment was the product of a partnership between numerous federal, state, and local law enforcement agencies cooperating under the Department of Justice's Organized Crime and Drug Enforcement Task Force (OCDETF) program. The OCDETF program is the centerpiece of the Department of Justice's drug supply reduction strategy. OCDETF was established in 1982

to conduct comprehensive, multi-level attacks on major drug trafficking and money laundering organizations. Today, OCDETF combines the resources and expertise of its member federal agencies in cooperation with state and local law enforcement. The principal mission of the OCDETF program is to identify, disrupt, and dismantle the

most serious drug trafficking and money laundering organizations and those primarily responsible for the nation's drug supply.

Members of the public are reminded that an indictment constitutes only charges and that every person is presumed innocent until his or her guilt has been proven beyond a reasonable doubt.

perwork, and spend a lot of time out in the community running errands. Group activities could also take place in your neighborhood, bringing you and your friends closer together. The only caution is that you shouldn't try to do too much.

Scorpio 10/23-11/21

You're likely to be doing so well financially that you might be a little complacent. With all the hard work you've been doing, you might feel that you deserve some rewards and decide to go shopping. Don't throw caution to the winds, however. You're doing well, but you don't want your house cluttered with items you don't want or need.

Sagittarius 11/22-12/21

Your energy and enthusiasm are elevated as you approach yet a higher level of accomplishment. This could inspire you to channel most of your energy into more work and climb yet higher. You might even be thinking in terms of expanding all your horizons - professional, intellectual, and spiritual. Travel could also be in the offing. Consider your options carefully. There might be too many choices.

Capricorn 12/22-01/19

Today you might experience a bit of restlessness, perhaps because you feel there's something you ought to be doing but you aren't sure what. Your mind is sharp, intuitive, and logical, but too many options could be on

the horizon. You might find it difficult to choose among them. Once you decide, you'll charge ahead and make a success of whatever you try.

Aquarius 1/20-2/18

You might consider entering a business partnership of some kind with friends. This is a good time because your communication is especially good. Details of each person's role can be worked out clearly. Though it's admittedly going to take some effort, success is indicated for just about any goal.

Pisces 2/19-3/20

Have you been working toward public acknowledgment of some sort? If so, you may receive it today. You've been working hard and produced results that aren't likely to go unnoticed. Expect some compliments, a lot of praise, and maybe even a moment of fame. Needless to say, this is going to give your self-confidence a boost.

Aries 3/21-4/19

All should be going well for you - love, money, and career. Still, you seek other goals, and today you might be thinking of educational, intellectual, and spiritual matters that you've always wanted to pursue. Don't be surprised if you're preoccupied with trying to sort it all out. And don't feel you have to rush to make a decision. Give it some time.

Taurus 4/20-5/20

Today you might decide to do some intense research regarding economics, stocks, or land investments and see how it applies to your current

financial situation. You've been doing well and should continue doing so. You'll want to find ways to make your money grow. Books, magazines, and newspapers can help your quest, as can consultations with professionals.

Gemini 5/21-6/20

A social event involving business associates and friends could bring fresh ideas your way, pointing you in a new direction. Your material and spiritual goals might come under discussion and open your eyes to previously unnoticed opportunities. Communication is clearer than usual. This may prove beneficial. Increased understanding brings you closer to others.

Cancer 6/21-7/22

You're likely feeling alert, strong, and full of energy and stamina. Your sense of adventure is high. You may be exploring the possibility of an interesting vacation - rafting, backpacking, or some other adventure. This is a good idea. This trend

in your physical condition should continue for a while. Get some travel brochures and look into it!

Leo 7/23-8/22

Intimate relationships gather steam as increased involvement in each other's life brings you closer. Relationships grow through enhanced communication and shared dreams, goals, and ideals - not to mention physical passion! You should feel strong and confident today, especially as your material success continues. Travel, a new car, and a few luxury items might be on your agenda.

Virgo 8/23-9/22

Happiness reigns in the home as your household continues to experience success. Someone new may come to visit. Expect a lot of comings and goings, plus an impromptu party or two. Meditation and contemplation could provide inspiration for new projects, and you might spend some time writing down ideas and brainstorming ways to approach them.
