Theft

Kenneth Moss, 18, Maupin Drive Knoxville, was charged Theft of Property and Identity Theft.

Officer R. Miller LCPD, responded to 911 Highway 321 (WalMart) in Lenoir City, TN, in reference to a male subject who caught by loss prevention employees shoplifting on two separate occasions today. Prior to arrival dispatch advised that the male subject that was caught by loss prevention had fled from them at which time they stated the male got into a white in color Uhaul Van and left WalMart property. While in the area officers were able to locate the Uhaul Van in the Food City parking lot, the van was left unattended and locked. While observing the vehicle and its contents from the outside

Officer noticed in plain view a gray in color Reebox backpack was sitting inside of the van that the male subject was seen leaving the store with along with a white hoodie.

Shortly after staging in the area of the van Officer located a male subject matching the description of the shoplifter, shorts with a green stripe, white shoes, and a gold necklace. Officer approached the male and gave several commands to stop and to come here. The male then fled on foot where Officer followed after, crossing over Highway 321 into the parking lot of Zaxbys where he was then placed in custody.

Once in custody a key that belonged to the Uhaul was located in the males pocket. During the investigation the name of Anthony Moss was given from the male in custody. We confirmed that was

not his name or information. The prisoner stated that he gave his bothers name and D.O.B and that his name was Kenneth Moss. Once WalMart checked his name through their system they advised that KENNETH was criminally trespassed from

all WalMart property from a prior theft incident. The total amount of items stolen came out to be \$245.00 in US currency. During the investigation KENNETH advised that he stole the items to get gas money to return back to Knoxville, TN.

least \$617.75 using the PTO's debit card. These purchases included many items such as women's clothing, a child's car seat, fast food, online gaming items, and pharmaceutical products.

The couple failed to account for \$3,411.81 in PTO sales from a chocolate fundraiser. The fundraiser had the potential for gross sales of at least \$13,320 but only \$9,908.19 was deposited into the PTO's bank account.

The investigative report also reveals that Castaneda-Camacho presented a falsified bank document to school officials in an attempt to conceal the misappropriation. The fictitious document on bank letterhead claimed that a bank error had resulted in the PTO's account being merged with the couple's personal account. Bank personnel confirmed the letter was fraudulent.

In September 2021, Phillip

Nickins (aka Phillip Nickens) and Griselda Castaneda-Camacho were each indicted by the Davidson County Grand Jury on one count of theft over \$2,500, and one count of credit card fraud over \$2,500.

"School support organizations often fall victim to theft," said Comptroller Jason Mumpower. "In nearly every case, parent volunteers are trusted to handle money without adequate oversight. School support groups are required to implement basic controls to safeguard funds and property."

Zackery Finchum, 21, Main Street Loudon, was charged with Man/Sell/Del/Resale Sch. VI, Poss. Of Drug Para., and General Session Capias.

Officer Trey Clemmer LPD, received a call of a suspicious vehicle at River Oaks Place on Grove Street. Officer arrived on scene and made contact with a Maroon colored SUV occupied by two individuals, as Officer spoke to the individuals himself and officer Houser smelled a strong odor of marijuana coming from the car and asked the subjects if they had any marijuana in the car and the passenger stated just a roach.

Officer then informed them of my probable cause search and asked them to step out of the vehicle and the passenger

kept reaching for the center console and the floor board and stated all Officer have is a roach.

Upon officer search found on the passenger side several plastic lunch bags, a black container with several roaches, and several more of the same lunch bags with what was to be believed as marijuana inside of them with grams written on the bags in the center console.

Officer then ran both subjects D.L's and their status came back valid and the passenger (Zackery Finchum) who was in possession of the 41 grams of marijuana had an FTA. Zackery Finchum was placed under arrest for Failure to Appear, Man/sel/del of schVI and Drug Paraphernalia and taken to Loudon County jail.

The above actions did occur in the city of Loudon.

Horoscopes

offer sympathy, but don't expect any gratitude now. If this is a business partner, you may have to take on a heavier workload over the next week. The family member will recover, but your partner won't be much good to anyone until then.

Scorpio 10/23-11/21

Have you resolved to give your house a thorough cleaning? You may have gone to the store and bought every conceivable type of cleaner. You're determined not to quit until the house is spotless. Use natural cleaners if possible. Chemical substances could seem especially harsh today. Second, don't try to do it all now. Take care of the worst and then leave the rest for tomorrow.

Sagittarius 11/22-12/21

If you're in the mood for love, remember to be sensitive to your partner's needs and give lots of love in return. Don't forget that the old standbys of champagne and chocolate still work! Or a warm bubble bath - that's sure to relieve any tension.

Capricorn 12/22-01/19

A woman, perhaps your mother, could visit you today. She may not be in a great mood, so perhaps you'd better take her out in public where she'll have to maintain some self-control. If not, you could set yourself up for a scolding over something that seems inconsequential. Defuse the situation by encouraging her to talk about what's really bothering her.

It's probably not you.

Aquarius 1/20-2/18

Traffic in your neighborhood could be congested beyond anything you've seen before. Perhaps an accident or road construction is blocking the street. It may be nearly impossible to get anywhere by car, even the grocery store. If you must go out, either walk or ride a bike or it might take an hour to do what would normally take a few minutes. Better yet - stay home!

Pisces 2/19-3/20

You're romantic by nature, but today you're probably more interested in sensuality than roses and champagne. Even the idea of inviting seduction seems too insipid right now. You're more inclined to action. This is OK your lover is in the same frame of mind. Use your intuition to judge. If not, you might have to go for the champagne and roses after all.

Aries 3/21-4/19

You're apt to feel rather tense today and blame it on boredom and discontent with your current life. You could spend much of the morning daydreaming, formulating outrageous plans to escape what you see as a rut. While doing this you might discover an idea that's not only appealing but also workable. Consider it carefully over the next few days. You might want to go for it!

Taurus 4/20-5/20

Do you feel like you're about to explode? Tension may have built up through the week and now there may be no outlet for it. If you ar-

en't careful, you might take it out on those closest to you. Go for a workout or clean the house. Engage in any kind of physical activity and get the endorphins going so you can feel good again. Life's too short to waste on being stressed and upset.

Gemini 5/21-6/20

Was there a task you wanted to have completed by now that was delayed for reasons beyond your control? Don't obsess over it. It isn't your fault, and there's nothing you can do about it. Find something else to do so that thoughts of this chore don't creep in. Better yet, go out with a friend. If the Universe had meant for that task to be completed, it would have been!

Cancer 6/21-7/22

Over the past few years you've been aware that both you and your chosen life path are changing. This hasn't always been easy for you, because it sometimes means saying goodbye to parts of yourself that you're rather fond of. Today the tension

of the past week may get to you. Defuse the tension. Go for a workout, shop, or clean the house. Keep the emotions in check.

Leo 7/23-8/22

Are you planning to hear a sermon, lecture, or speech of some kind today? Don't be surprised if what the speaker says turns out to be more hot air than useful information. He or she is probably more interested in venting feelings than presenting the facts. Opinions can be valuable, too, so listen. Take it all with a grain of salt until you've checked out the facts.

Virgo 8/23-9/22

Dark dreams may haunt your sleep and cause you to awaken in the night. The dreams probably represent nothing more than your unconscious mind releasing the darkest of your worries, fears, and frustrations that you've been going through over the past week. A closer study of what the symbols mean to you could be enlightening. Write them down!
