Justice Department Announces \$139 Million For Law Enforcement Hiring To Advance Community Policing

\$375,000 Awarded to a Law Enforcement Agency in the Eastern District of Tennessee

The Department of Justice today announced more than \$139 million in grant funding through the department's Office of Community Oriented Policing Services (COPS Office) COPS Hiring Program (CHP). The awards provide direct funding to 183 law enforcement agencies across the nation, allowing

those agencies to hire 1,066 additional full-time law enforcement professionals. In the Eastern District of Tennessee, Lenoir City was awarded funding totaling \$375,000.

"We are committed to providing police departments with the resources needed to help ensure community safety and build

community trust," said Attorney General Merrick B. Garland. "The grants we are announcing today will enable law enforcement agencies across the country to hire more than 1,000 additional officers to support vitally important community oriented policing programs."

Daniel Meeker, 26, Crestview Circle Lenoir City, was charged with Evading Arrest x2, Poss. Of Drug Para., Violation of Parole, and Lights Required on Motor Vehicle.

Deputy Chance Gray LCSO, observed a Black GMC Yukon traveling on Highway 11 near Oldstage Road with a passenger-side headlight out. Deputy then turned around on the vehicle and while attempting to catch up Deputy noticed the vehicle was traveling at a high rate of speed. Deputy was able to catch up to the vehicle on Highway 11 near Muddy Creek road where Deputy attempted to make a traffic stop on the vehicle. Deputy was able to run the vehicle tag through dispatch to which they advised that the owner of the vehicle Mr. Daniel Meeker had an active violation of parole warrant along with warrants out of Knox County.

The vehicle then turned into Martel estates making several circles around the neighborhood. The vehicle then came to a stop and the driver Mr. Meeker fled the vehicle on foot. Deputy then gave Mr. Meeker multiple warnings to stop or he would send my K-9 but he ignored. Deputy then sent my partner K-9 Kora to apprehend Mr. Meeker, but he crossed a fence that prevented her from catching him. After crossing the fence K-9 Kora began pulling Deputy toward an open gate in

the back yard of Crestview Cir. Once at the gate a female opened a window and stated that Mr. Meeker was in her home. Deputies then entered the home and the subject was taken into custody. During a pat-down Deputy, Chase Lane located a syringe in

Mr. Meeker's pocket. Deputy Eric Curtis also located a syringe in the vehicle. Mr. Meeker did ask for medical treatment and was transported to the hospital and cleared by hospital staff. this did occur in Loudon County Tennessee.

COPS

"Our office is proud to announce the 2021 Cops Hiring Program Grant award to Lenoir City in the Eastern District of Tennessee. Applications for this award were received from 590 law enforcement agencies in nearly every state. The funding that Lenoir City will receive will support the hiring of career law enforcement officers to address community policing needs," said Acting United States Attorney Francis M. Hamilton III.

CHP is a competitive award program intended to reduce crime and advance public safety through community policing. CHP provides funds directly to law enforcement agencies to hire new or re-hire additional career law enforcement officers, thereby increasing their community policing capacity and crime prevention efforts. Of the 183 agencies awarded grants to-

day, approximately half will use the funding to focus on building legitimacy and trust between law enforcement and communities; 41 agencies will seek to address high rates of gun violence; 21 will focus on other areas of violence; and 19 will focus CHP resources on combating hate and domestic extremism or supporting police-based responses to persons in crisis. The complete list of awards can be found here.

Since its creation in 1994, COPS has invested more than \$14 billion to advance community policing, including grants awarded to more than 13,000 state, local and Tribal law enforcement agencies to fund the hiring and redeployment of more than 135,000 officers. CHP, COPS' flagship program, continues to be in demand today: In FY21, COPS received 590 applications requesting nearly 3,000 law enforcement positions. For FY22, President Biden has requested \$537 mil-

lion for CHP, an increase of \$300 million.

To learn more about CHP, please visit <https://cops.usdoj.gov/chp-awards>. For additional information about the COPS Office, please visit <https://cops.usdoj.gov/>.

The COPS Office is the federal component of the Department of Justice responsible for advancing community policing nationwide. The only Department of Justice agency with policing in its name, the COPS Office was

established in 1994 and has been the cornerstone of the nation's crime fighting strategy with grants, a variety of knowledge resource products, and training and technical assistance. Through the years, the COPS Office has become the go-to organization for law enforcement agencies across the country and continues to listen to the field and provide the resources that are needed to reduce crime and build trust between law enforcement and the communities served.

Horoscopes

try to go outside your normal routine. What's the point of working so hard if you only reward yourself by slumping in a chair at home? Go for a ride in the country for an hour or two instead. It would do you good.

Capricorn 12/22-01/19

It's true that you aren't ten anymore, but who's to say you can't go back to your childhood now and again? Without going so far as to play hopscotch in the street or instigate a food fight in your favorite restaurant, go see some friends for some laughs. You've been working hard for a long time now and deserve a bit of fun. Don't hesitate.

Aquarius 1/20-2/18

You may be feeling way too serious at the moment. Whether you know it or not, you're in dire need of cheering up. If someone invites you to a comedy club, go. It may take you a while to get into it, but you'll end the evening laughing. It will be the best night of your month. If you can, stop second-guessing yourself.

Pisces 2/19-3/20

New winds will begin to blow away the black clouds that have been hovering over you lately. What more could you want? Today will seem like a walk in the park compared to days past! You'll breathe better and come home feeling rested. Try to interact more

with the people around you. They will appreciate it if you express genuine interest in their opinions.

Aries 3/21-4/19

Drop the conclusions you've reached concerning your work at the moment. Like it or not, life is going to throw you a curveball. Normally, you wouldn't consider the sorts of propositions that people will make to you now. The ideas may seem crazy and out of line with who you are. They may be crazy, yes, but they aren't out of the question!

Taurus 4/20-5/20

It looks like you're making headway again. Now that you're planning for the future, you could enroll in an educational program or take a trip. Don't be so dazzled by today's bright outlook that you forget the business at hand. Accept this day for what it is - a brief respite amid the chaos. Tomorrow you'll return to your work refreshed.

Gemini 5/21-6/20

You can look forward to a bright day. What a relief it will be after the tension of the past several days. This would be a good time to confide in a close friend. It will help relieve some of the pressure you've been feeling inside. Be careful not to relax completely. If you do, you may not be able to get out of bed!

Cancer 6/21-7/22

It's a relief when the hostilities subside, isn't it? It has seemed

like people have repeatedly slammed doors in your face. But today a visit or encounter will unlock some mysteries for you. Will your problems finally be solved? If you're committed to unEarthing your originality, you'll be fulfilled.

Leo 7/23-8/22

There's something blossoming inside you today. The heavy pressure of the past several days has ebbed, and you're able to go about your business with a lighter heart. It would be a good idea to pay more attention to your body. Try to schedule more aerobic exercise and cut down on fats and sugars. Start some healthier habits.

Virgo 8/23-9/22

The last several days have been a bit of an ordeal, so you could be surprised by the brightness of the day ahead. Although you may not be trying to assert yourself any more than usual, you'll receive compliments and congratulations from many sources. Baffling,

isn't it? Take advantage of the joys ahead without subjecting them to too much scrutiny.

Libra 9/23-10/22

You'll enjoy the gentleness and relaxation today offers. You'll be more talkative than usual. This interlude will give you an opportunity to refresh yourself by spending some quality time with family. You have strong intuition. Listen to it, as it will advise you wisely.

Scorpio 10/23-11/21

This may be a laid-back day for you, but a period of calm will do you a lot of good. You could lounge around in a park and let your imagination go. Today's astral configuration will make you dream and remember your childhood. Rather than stressing about all that isn't getting done, why not go with the flow for a change?
