Sheriff Tim Guider Endorses Candidate for Sheriff Chief Deputy Jimmy Davis in Upcoming Election

Sheriff Tim Guider Officially Endorses Jimmy Davis for the office of Sheriff

Sheriff Tim Guider released his official statement on retirement and endorsement for the future.

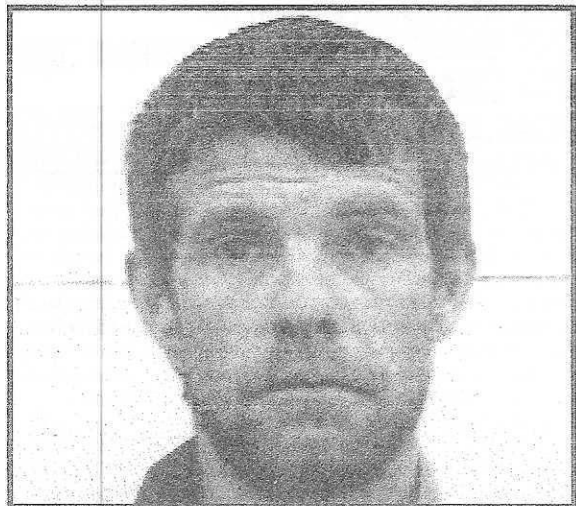

The the Citizens of Loudon County,

When I made my decision not to seek re-election for Sheriff of Loudon County, it did not come easy. Being your Sheriff for the past 32 years has been one of the

greatest honors of my lifetime. It was not an easy decision to walk away from a family of men and women, many of whom I've served with for nearly half my life. I take of lot of pride in the many achievements and improvements within the Loudon County Sheriff's Of-

Sheriff

fice (LCSO). When I look back over the span of my career, I can't help but reflect on the years of progress that make LCSO what it is today. While I have been at the helm of these accomplishments, the real credit goes to all the men and women who, over the years, wanted to 'make a difference' and became a part of my team. It has truly been a great TEAM effort!

As Sheriff, I have been fortunate to have two good men serve as my second in command in the position of Chief Deputy. That position requires the greatest of mindsets, as it serves as the day-to-day operations for the entire agency. From personnel, budget management, tactical operations and com-

munity relations, the Chief Deputy is instrumental in the success of LCSO. I never took the decision of filling that position lightly.

In 2017, I found myself having to make that decision for only the second time in my tenure, and my decision was an easy one. I selected then Assistant Chief Jimmy Davis. I knew that he had demonstrated the core values that were important to me - commitment, integrity, passion, and dedication. Jimmy started as a Volunteer Deputy, and over the course of his career climbed the ladder and succeeded at every rung. Jimmy exceeded my expectations in representing this agency in ways that make me very proud of my choice to appoint him

as Chief Deputy.

As I get ready to walk away and spend some much-needed time with my family, it is important that I leave this agency, as well as the community, in the hands of someone I know loves them as much as I do. There are candidates in the upcoming race for Sheriff who meet the basic qualifications to be Sheriff of Loudon County. However, this agency deserves so much more than that. It deserves a Sheriff who has invested more than half their life to the success and growth of LCSO. This community deserves a Sheriff who has dedicated themselves to the men and women of the agency, who has done

the job, who has pursued higher education, and who has built relationships with other law enforcement leaders across East Tennessee and beyond - relationships that have proven to benefit our community when we need it most. This agency and this community need the kind of Sheriff that Jimmy Davis will be.

It is with great pleasure that I formally and officially support and endorse my Chief Deputy, Jimmy Davis, to be the next Sheriff of Loudon County. I hope you will trust me, just as you have for the last 32 years, by supporting and electing Jimmy Davis as your next Sheriff.

Stay safe. Your Sheriff,
Tim W. Guider

your efforts on those whose help you need. If you have faith in your originality, your sales efforts are likely to pay off. In fact, there is some chance you'll meet an especially dynamic person who can lead you into some fascinating, unexplored territory.
Capricorn 12/22-01/19

There is some likelihood that you'll have an electrifying emotional encounter today. Some of life's more mundane details may trigger arguments that, although violent, are cathartic and short. You've been thinking that it's time for more intensity in your life. Whether you know it or not, you're rethinking all manner of human relationships.

Aquarius 1/20-2/18
The current astral configuration could be described as a crisis phase, although today's events won't be unhappy. Communication proves difficult for you. For a long time you've been banking on others noticing and appreciating your talent, but you're beginning to feel like a sucker for being so patient. This would be a good day to confront the powers that stand in your way.

Pisces 2/19-3/20
You have a pleasant day ahead. Optimism and creativity prevail. You can avail yourself of all the freedom necessary to encounter hap-

piness. Indeed, that newfound happiness may come in the form of a new person who makes your heart beat faster. Don't fall in love too quickly! There are plenty of opportunities now. A deep and fulfilling commitment will take time to build.

Aries 3/21-4/19

The day ahead looks promising. Your energy is gradually returning, and you're beginning to feel more enterprising about your domestic life. No doubt today you'll be called on to settle some financial questions related to your domestic needs. While a substantial gift of money or raise would be welcome, you begin to see other ways of making the cash flow rather than trickle.

Taurus 4/20-5/20

Try to imagine that you're in your creative workshop and you've given up using all your usual tools in order to find new ways to give form to your inspiration. Another completely different creative style will emerge. Your admirers may be surprised, but no one will be more astonished than you.

Gemini 5/21-6/20

Your private life is probably in the throes of great change. This change is likely related to profound transformations that are taking place in your behavior, in particular your nervousness. If your daily or family life seems stifling to you, there's no need to take your frustrations out on loved ones. Look for answers inside.

Cancer 6/21-7/22

It wouldn't be surprising if you enrolled in a class that's very different from your normal activities. For example, a surfer may get a sudden urge to learn about computers, or a technology guru might take up flower arranging. Those who think they have you all figured out will be taken off guard by your new spontaneity and sense of adventure.
Leo 7/23-8/22

Some of the planetary movements are currently helping you understand that the best place to discover treasure isn't always where other people tell you to look. If people are urging you to get interested in activities that don't interest most people, including you, pay them no heed. You'll discover treasure all on your own provided you follow your own calling.

Virgo 8/23-9/22

No one's more forward thinking than you now. You're in tune with new inventions and trends, and you may have an irresistible desire to join an avant-garde group. The old

way of doing things seems old, and you no longer want any part of it. You can't stand working according to the old principles any more. You're in a heated frame of mind. Be careful about stirring conflict.

Libra 9/23-10/22

You couldn't be in a better position in your personal life. The time is ripe to thumb your nose at your demons for the last time. Complexes, guilt, and fears of all kinds are gone. It could even be that the radical "housecleaning" you'll undertake will affect your professional career as you become aware of how much you've been underestimating yourself.

Scorpio 10/23-11/21

Today's forecast is excellent for you. The celestial bodies can't help but smile on the tempestuous energy of your character. You would be advised to act on your strong intuition. But be prudent in the execution of your actions lest your impulsive spirit stop you from taking recommended precautions.

Brian Maynard, 38, Wade Road West Loudon, was charged with Domestic Assault.

Deputy Stanley LCSO, responded to a call regarding a domestic assault at Wade Road West. Upon arrival, Deputy made contact with the complainant/victim who advised her son (Brian Maynard) had pushed her. She advised that Brian had been talking out of his head, and not making sense. Victim advised the altercation was verbal but escalated when Brian pushed her into a chair in her room. She described it by him pushing her by her neck with his forearm. She advised he then went into the living room after she told him she was calling 911. Deputy then made contact with Brian in the living room. He advised he did not put his hands on victim, but he did state that he "nudged" her out of his face during the argument. While speaking with Brian, he continuously made abnormal comments about hearing voices, and making statements about his deceased father being poisoned, talking with TBI, and about him previously dying and throwing up a "Black mass". Brian continued making abnormal statements to us while on scene.
