## Clay County Circuit Court Clerk Indicted on Numerous Charges Susan Birdwell Suspended from Office

An investigation by the Tennessee Comptroller's Office, working in conjunction with the Tennessee Bureau of Investigation, has resulted in the indictment of Clay County Circuit Court Clerk Susan Birdwell.

Birdwell has been indicted in both Davidson County and Clay County on a total of 16 counts.

Investigators determined that Birdwell circumvented the judicial process by photocopying a judge's signature on expungement orders in at least 117 cases without the judge's prior knowledge or approval. Birdwell then filed the expungement orders with the TBI for processing. Investigators could not determine

the legal sufficiency of the expungement orders due to a lack of documentation remaining in the individual cases.

Birdwell also retained at least 497 expungement orders in unsecured places within the office. State law requires the clerk to remove and destroy all public records within

## Clerk

60 days from the date the expungement is issued.

On August 17, 2021, Birdwell met with investigators regarding the issues with the expungement orders. She admitted it was wrong to photocopy the judge's signature and not destroy the expungement orders as required by law. Two days later, she gathered two additional binders containing expungement orders and shredded all but seven orders. She did not inform investigators about those binders and made no attempt to contact investigators before shredding the documents.

Additionally, investigators revealed that Birdwell received compensation from an employee who administered the county's traffic school. She required employees who were responsible for the operation of the traffic school to remit \$82 to her each month.

Birdwell was not entitled to receive additional compensation beyond her county officer salary.

Lastly, Birdwell improperly accepted a total of \$8,464 in cash payments from citizens and then used her personal credit card to make online payments on their behalf to the Tennessee Department of Safety. The cash should have been deposited with the Clay County Trustee's Office. Birdwell earned at least \$169.28 in cash back rewards on her credit card because of her payments made to the Tennessee Department of Safety.

On November 10, 2021, the Davidson County Grand Jury indicted Susan Beth Birdwell for six counts of forgery, three counts of tampering with governmental records, and two counts of official misconduct.

On December 14, 2021, the Clay County Grand Jury indicted Birdwell for one

count of soliciting unlawful compensation, one count of misrepresenting information to a state auditor, and three counts of official misconduct.

On December 16, 2021, Birdwell was suspended from office by Order of Suspension by the Honorable Criminal Court Judge of the Thirteenth Judicial District by Designation. Jennifer Louann Ritter was appointed to serve as Cir-

cuit Court Clerk Pro Tempore during Birdwell's suspension.

## Horoscopes

for you. Given the wonderful energy you have at the moment, someone fascinating may be attracted to you. Take advantage of this wonderful day. It's tailor made for you!

Capricorn 12/22-01/19

You can expect to have a calm, efficient day. Whatever projects you've initiated in your public or private life should start taking on an interesting shape. Little by little, uncertainties will vanish. Have confidence in time, because it's currently working in your favor.

Aquarius 1/20-2/18

A serious day lies ahead. It feels a bit lonely as all those around you concentrate on their own needs in silence and isolation. But you'll enjoy a great feeling tonight after you solved so many problems and gotten so much done. Ultimately, this will be a very positive day, one you will end feeling very proud of yourself!

Pisces 2/19-3/20

You're cleaning, sweeping, and tidying up your relationships as never before. More remains to be done, but in the end, your relationships will take on completely different forms. Today, for example, someone in your group will back up your ideas. You're in the process of

changing. Everyone who matters is going to support you.

Aries 3/21-4/19

Great rivers are born from drops of water. Opportunity isn't lacking in your life at the moment. This is a great time to buckle down in your personal and professional lives. You've never shied away from hard work. You embrace it. You'll end the day feeling the satisfaction that comes from a job well done. Congratulations!

Taurus 4/20-5/20

Are you deeply satisfied with your love life? Several of the aspects will push you to take stock and develop some solutions if needed. A big issue could be your possessiveness. Try an experiment. Give your partner more freedom. It may seem risky to you, but it isn't. Loosen the reins a bit.

Gemini 5/21-6/20

Loving someone is no guarantee that one day that person won't leave. You must give your love freely and without strings. If you approach people always asking for guarantees or protection, you'll make them feel that you don't trust them. In turn, they won't trust you. It's a vicious cycle. The only way out is through giving your heart unconditionally.

Cancer 6/21-7/22

You need a guide. This is a time to learn from the master of a domain, even if it means

putting yourself in the role of disciple. This is a wonderful change for you, especially because you're often the one teaching others. This kind of exercise can do you a world of good. If there's a new subject you want to study, now is the time to embrace it.

Leo 7/23-8/22

This is a meditative day. It will help you take stock of how you feel inside, which you haven't had time to do for a while. You're in the process of abandoning the burden of always doing your "duty." Miracle of miracles, you'll finally realize that you can't work all the time! Take a break.

Virgo 8/23-9/22

Old demons and dreams are on the agenda today. Do you want to be an artist? Are you sure? If you're an artist, would you like to be more prominent or rich? Be wary of such daydreams because they take you away from enjoying your life. Live in the

here and now. Embracing what you already have will ultimately give you the same satisfaction as those who are richer or more famous.

Libra 9/23-10/22

If your daily life seems disorderly, change it. Don't delay. You say that the hustle and bustle of life has you running in a thousand different directions. You'd really prefer to live in peace and quiet in the country. It's possible to make such a dramatic change. Take advantage of your great adaptive powers!

Scorpio 10/23-11/21

You don't like to be held back. You can't wait quietly until you reach your objectives. Know that occasionally the unpleasant tasks have to be done before you can enjoy yourself. This is the case today. Fortunately, the day promises to be calm with periods of concentrated effort. Now you can prepare for the future.
