My decision comes after much

prayer and thought, I will not be seeking re-election as your First District County Commissioner Seat A. I am blessed and grateful to have served district 1 and to have achieved many goals for my constituents, but it is time for a new chapter of public service.

## CDC Tightens Testing Requirement for International Travel to the US to One Day

The Centers for Disease Control and Prevention (CDC) is revising the current Global Testing Order to shorten the timeline for required testing for all international air travelers to one day before departure to the United States. This revision strengthens already robust protocols in place for international travel, including requirements for

foreign travelers to be fully vaccinated.

As we learn more about the Omicron variant, this new one-day testing policy will help to protect travelers and the health and safety of American communities from COVID-19. These Orders put in place a stringent and consistent global international travel policy that is guided by pub-

lic health.

The announcement means that beginning December 6, all air travelers, regardless of citizenship or vaccination status, will be required to show a negative pre-departure COVID-19 viral test taken the day before they board their flight to the United States. For example, a passen-

Lance Alston, 37, Locus Hill Drive Lexington, was charged with DUI, Violation of Implied Consent, Man/Sell/Del/Resale Sch. VI, and Poss. Of Drug Para.

Deputy Harrison was dispatched to the area of I-75 North Bound at the 76-mile marker in reference to a reckless driver in a black Jaguar cutting other vehicles off and failing to maintain its lane. While en route, Dispatch advised a complainant was out with the vehicle stopped in the middle of the 76 North Bound exit ramp. Once on scene, Deputy made contact with the driver, Lance Alston, who was passed out in the driver's seat with the vehicle still in drive. Deputy eventually got Alston to wake up and while speaking with him, Deputy smelled the strong odor of an alcoholic beverage emitting from his person and observed an open liquor bottle in the passenger seat. Deputy had Alston exit the vehicle and asked if he would perform SFSTs to which he consented and

performed poorly. Deputy Huskin arrived and assisted with ARIDE testing and Alston performed poorly. Deputy then placed Alston in custody and read Miranda. Alston was read Tennessee Implied Consent to which he refused a breath sample. During an inventory of the vehicle, Deputy opened the trunk and smelled the odor of marijuana emitting from the area. Inside a large black trash bag, Deputy located 7 vacuum-sealed bags and on loose bag of approximately 8.05 pounds of marijuana along with 2 scales with residue. Narcotics was notified and arrived on scene. 546 dollars was also recovered from the offender's right shorts pocket and seized. James towing arrived and towed the vehicle to Money Makers for seizure. Based on the above facts Deputy is charging Lance Alston with driving under the influence, violation of implied consent, man, sell, del, resale of schedule VI, and possession of drug paraphernalia. This did occur in Loudon County, Tennessee.

## Horoscopes

glad to get up. The energy is exceptionally positive. You'll probably feel energetic, confident, and ready to get down to work on your projects. This in combination with your tendency to work hard can have you going strong. Don't overdo it. Take some time to smell the roses and take a little rest. Capricorn 12/22-01/19

It's going to be a great day to get things done. Cosmic conditions will have you feeling energetic and raring to go. If there's a list of things to do waiting for you, grab it and get going. You might need to resist the temptation to spend time socializing. If you focus on your priorities, you'll be finished before you know it and there will still be plenty of time left for play. Aquarius 1/20-2/18

This will be an excellent day to start some of the projects you've held back for some time. You'll likely feel more physical and mental energy than you've experienced lately. Whether your day is filled with work or play, things are going to go great. You can tackle tasks with confidence. Be productive by giving your energy a place to go. Pisces 2/19-3/20

You might be more energetic than you've felt in a long time. It's the perfect day to get busy with tasks, projects, and housework. You'll breeze through most things in no time and enjoy them. Resist any temptation to procrastinate! If you put things off, you'll miss the current cosmic

support. Make a list of things to do and start. You'll be done before you know it!

Aries 3/21-4/19

If only more days could be this easy. The energy from the aspects is revitalizing, allowing you to get a lot accomplished. If there's something you've hesitated to do, seize some of the day's added confidence and go for it. You'll succeed at anything you take on. Don't get caught up in doing another's work because you have energy in abundance.

Taurus 4/20-5/20

Today will start off with an energy boost for you. Seize the opportunity to make the most of this by getting those major projects and chores handled. It isn't every day that you feel this good. If you get to work right off the bat, you'll have plenty of time to do something recreational afterward. If you're into sports, the extra energy will give you quite an edge.

Gemini 5/21-6/20

Today the cosmic conditions are great for peak physical and mental energy. You'll be able to take on almost anything. With an added increase to your confidence level, now is the time to take steps toward your biggest goals. Rather than worry about rejection, think, "Nothing ventured, nothing gained." Even though you aren't big on taking risks, the ones you take today will be worth it.

Cancer 6/21-7/22

Expect to enjoy today. You're in great shape and operating at peak performance. These are excellent conditions for

working or creating. Given the chance, your mind will teem with innovative ideas. Put effort into everything you do today. If the opportunity comes up to participate in a new venture, give it serious thought. It could be a smart move.

Leo 7/23-8/22

The energy today means you'll feel on top of the world. Given your usual hardworking nature, you may need to keep an eye out for exhaustion. While the extra strength, health, and mental sharpness give you tremendous support to get a lot done, you have to know when to quit for the day, too. Save some of that energy for social or recreational activities.

Virgo 8/23-9/22

You're off to an excellent start. If you've felt a little weary lately, this will change. Added mental and physical strength is available to you. Things that seemed difficult yesterday will come easily today. Take out any projects or to-do lists and go for it. Things will be finished be-

fore you know it, and you'll still have a smile on your face. Know when to quit, though. You don't want to overdo it.

Libra 9/23-10/22

You might feel like you have more energy today than you usually do. Whether the tasks ahead require physical strength or mental acuity, approach them with confidence. Things come easily and readily, and you can accomplish a great deal. Take a little of this energized time for socializing with a friend or engaging in your favorite hobbies. There's no need to direct it all into serious matters.

Scorpio 10/23-11/21

Expect to start your day with renewed strength and energy. Almost everything on your to-do list will fall into place. You can approach your projects with confidence and vigor because you can do what needs to be done. If there's something you've wanted to take on or start, you'll be hard-pressed to find a better day. Make the most of the confidence surge. There's nothing you can't handle.

## Obituaries

**Jayne Loveday Harrison** age 61, of Lenoir City, and formerly of Knoxville, went to be with her Lord in her heavenly home on Wednesday, December 1, 2021. Jayne was born November 20, 1960 to Troy and Annette Loveday. Throughout her life, she never met a person that she did not like. She was a very compassionate, loving, and kind individual. Most of all, she loved her family unconditionally. Jayne would always get so excited about going to and being at "family get-togethers". But what made her proudest were her children, Chance and Chesney. Being a juvenile diabetic, there was some question if she would ever have children. However, she did and the joy she received from them was unmatched. After they grew up and moved out of the family home, she would always "light up" when they returned to visit. As time passed, she also really enjoyed spending time with her friends on short trips, particularly Karen and Terri, her best friends from childhood. Now, there is no more pain. No more suffering. She finally gets to be with her Dad once again and the God she so loved. Preceded in death by her father, Troy Alvin Loveday. Jayne is survived by her husband of 35 years, Gregg Harrison; children, Chance (Taylor) and Chesney (Will); mother, Annette Loveday; brothers, David Loveday (Tamara) and Alvin Loveday (Melanie); sister, Robin Loveday; nephews, Troy Loveday (Vi) and Colby Loveday; parents-in-laws, Hogan and Sally Harrison; brother-in-law, Blair Harrison (Krissy) and their families. The family will receive friends from 12 p.m. to 2 p.m. on Saturday, December 4th at Click Funeral Home in Lenoir City. Funeral services will follow at 2 p.m. with Dr. Tommy Patterson officiating. Burial will follow at Loudon Co. Memorial Gardens. Click Funeral Home, 109 Walnut Street, Lenoir City is in charge of arrangements.
