CDC Plans to Provide \$332 Million to Support Community Health Workers for COVID-19 Prevention and Control

The Centers for Disease Control and Prevention (CDC) plans to provide \$300 million to jurisdictions for community health worker (CHW) services to support Coronavirus Disease 2019 (COVID-19) prevention and control, and an additional \$32 million for training, technical assistance, and evaluation.

CHWs are frontline public health workers who have a trusted relationship with the community and are able to facilitate access to a variety of services and resources for community members.

By scaling up and sustaining a nationwide program of CHWs who support

Letter to the Editor: Victim Tells Her Side Says No Kidnapping or Injury Involved

Regarding the "Noah Simpson" charges/story, printed in The Daily Edition last Monday. I "Billie Asher", mother of Noah, did call the police on March 16, 2021. The information printed and reported has been misunderstood somehow. This is Not True, as to what happened to me.

I was very upset, and was misunderstood, as I do talk to fast.

I need to make it clear as to what happened. I was NOT Kidnapped; I was not choked with my sons hands around my throat.

On the evening of March 16, 2021, I was babysitting four kids; Noah takes his wife to

work, comes back and goes into my kitchen and gets a rice krispy snack. I asked him to get a paper plate. He refused to do so, and I said crumbs are going on the floor and I just cleaned. He was saying all I did was bitch about things. So then Noah went out the

Narmore

Gordan Narmore, 40, Church Street Philadelphia, was charged with Vandalism, and Theft of Property.

Deputy Billy Lewis LCSO, responded to Church Street for vandalism to a vehicle and theft of keys. While en-route Deputy was advised that a pit bull was walking down church street bleeding from its left side. upon arrival Deputy observed the Pitbull which Deputy identified as belonging to Gordon Narmore to have a puncture wound to its left rib area. Animal control was dispatched was dispatched to take possession of the dog. Deputy then spoke to the Aunt who stated that Gordon had taken her car keys to her 1998 red Honda Sunday and refused to give them back. Aunt stated that when she asked Gordon for the keys he exploded on her revving the car

up turning it off and leaving the scene with the keys. Gordon returned and when aunt confronted him about the damage to her car he started yelling and left again walking down the rail road tracks. The aunt advised that Gordon had ripped the passenger side mirror off, kicked dents in both front and rear car doors of both sides.

Deputy observed the vehicle to have extensive damage to all four doors, and was able to see several fresh foot prints on the vehicles paint. Gordon was later located walking along the train tracks next to Spring Street and was transported to the Loudon County Jail by Cpl. B. Smith without incident.

Deputy Billy Lewis charged Gordon Narmore with Felony Vandalism and theft of Property. This did occur in Loudon County Tennessee.

populations at high risk and communities hit hardest by COVID-19, funding from the Coronavirus Aid, Relief, and Economic Security (CARES) Act will provide critical support to states, localities, territories, tribes, tribal organizations, urban Indian health organizations, or health service providers for tribes. CDC expects to award funds to approximately 75 organizations through "Community Health Workers for COVID Response and Resilient Communities." Applications will be accepted through May 24, 2021, at www.grants.govexternal icon.

"These resources will strengthen the incredible work of our nation's community health workers in

areas disproportionately affected by COVID-19," said CDC Director Rochelle P. Walensky, MD, MPH. "Community health workers are trusted messengers within communities, and instrumental in connecting high-risk and vulnerable individuals to care and needed services, and addressing local public health challenges."

Notices of awards will be issued in the summer, with the amount each jurisdiction receives determined by population size, poverty rates and COVID-19 statistics.

The funding is intended for recipients to address:

back door; and as he went out a few minutes later the older boy came through the hallway. I did yell and said go back to the bedroom to where all the children were playing. (a 12x12 room). At that time, Noah entered into the bedroom and got in my face like a drill sergeant; saying I was talking bad to his son and just screaming so I started screaming back. (The phone was in my hand from the time I walked into the bedroom). As we were yelling at each other I thought Noah just trying to make me mad, so I said in a nice voice "I know what you are doing trying to upset me." Then I smiled and said "it's funny I recorded you." "I did not record anyone or was going to I only said that to get him to calm down".

Instead, he said give me that phone, the phone had been in my hand the whole time. He then grabbed onto my cell phone, I then locked by left hand to my righthand and pulled down, at which time I sat on the bed. Noah was holding the phone trying to pull my hand off the phone. This was the only contact he made with my body was pulling at the phone. I then slid down to the floor pulling on my knees and was pulling back, I did not let go of my phone. I was then pulled around the end of the bed, to bottom which I got turned by pulling the phone and the phone came up to the left side of my neck (making a redness). I did say stop you are hurting me twice, while both of us were pulling at the phone. I was pulled down because I did not let go of my phone. I

could have let go at any time but did not for awhile.

Only contact with Noah was the pulling the phone with my hands. Noah did not say he wanted or dreamed he killed me on March 16 2021. Noah had a few weeks back was fussing about the way he grew up and said he thought as a child, of killing. Was never said on March 16, 2021 nor talk of fighting police.

I was asked to sign a warrant, order of protection and a custody order on the kids. I told the officer NO to all. I was asked to go to a shelter, I said NO.

I am NOT Afraid of my son, I love him and understand he needs anger management. I also told the officer the kids are being taken care of and have a good mother. I am in no way having hard feelings on this mis-

understanding of the report, how it got incorrect. I need to add I have two land line phones, and 2 cell phones. Noah laid the phone down as soon as I let go it was turned off from the struggle of pulling it.

I also need to add, I have neck implants from surgery a few years ago new bone spurs and bone disease/arthritis on my neck. If I had been injured I'd be in the hospital or surgery. Noah NEVER put his hands around my neck and choked me. I'm 60 years old, I would have had bruises and been hospitalized. I only want help with his anger issues. I would like to thank The Daily Edition for letting me tell my side of the story as to what happened on March 16, 2021.

Meth

Wayne Willis, 42, Ridgeview Road Maryville, was charged with Mfg/Del/Sale or Poss. Of Meth, and Poss. Of Drug Para.

Deputy Rodriguez LCSO, observed a white BMW sedan traveling Eastbound on Morganton Road and failed to stop before the white line at a stop sign on Morganton road at Highway 95. Deputy conducted a traffic stop using his emergency equipment on Morganton Road at Meadow Road. As Deputy made contact with Wayne Willis, driver/arrestee, Deputy observed a small clear baggie with what appeared to be meth on the center console. Deputy conducted a vehicle search with probable cause and located a black box with 5x needles, weight scale, and a clear meth pipe with residue inside of it. Deputy placed Mr. Willis in custody for possession of .43 grams of meth (T.C.A. 39-17-434) and unlawful drug paraphernalia (T.C.A. 39-17-425). Mr. Willis gave possession of his vehicle to a friend and Mr. Willis was transported to the Loudon County Jail. This occurred in Loudon County, TN.

Factors that increase risk of severe COVID-19 illness, such as chronic diseases, smoking, and pregnancy.

Community needs that have been exacerbated by COVID-19, such as health and mental health care access and food insecurity.

"Public health crises, such as COVID-19, worsen

existing health inequities," said Karen Hacker, MD, MPH, director of CDC's National Center for Chronic Disease Prevention and Health Promotion. "This funding opportunity supports the critical role of community health workers and is an important step toward health equity."

CDC strives to promote health equity through its National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP), which seeks to eliminate health disparities and achieve optimal health for all Americans. In addition, to stop the spread of the COVID-19 virus and move toward greater health equity, CDC continues to work with populations at higher risk, underserved, and disproportionately affected to ensure resources are available to maintain and manage physical and mental health, including easy access to information, affordable testing, and medical and mental health care. Horoscopes

interesting, particularly as your intuition is operating on a higher level than usual. You might not want to talk about what's coming up for you, but that's OK. You will need to make sense of it first before you can share it with clarity.

Taurus 4/20-5/20

Your mind is likely to be on your finances today, Taurus, and you may be searching for previously unknown ways to advance yourself. Colleagues or friends could help steer you in the right direction. When it comes to jotting down possibilities, trust your intuition, as it's operating at a very high level. List your possibilities and then let it stew for a few days before going over them again.

Gemini 5/21-6/20

Increased communication with a close friend or lover, more on a subtle than verbal level, could bring you closer and enrich your relationship. Quiet time spend together today could generate a new sense of closeness. Images and ideas that come from deep within you can contribute to your creative self-expression. Write down any insights so you can refer to them later. Work from the heart.

Cancer 6/21-7/22

Today you might crave solitude, Cancer, perhaps for meditation or to contemplate your current situation. You may feel you're at a crossroads and need to decide which way to go. This could involve the next step in your material progress or self-expression, or it might involve your spiritual path. Emotions from the past could well up, but this is a positive development. Don't fight it.

Leo 7/23-8/22

You might spend a lot of time in conversation with friends who share your interests. Their insights could lead to new insights on your part, Leo, and vice versa. This process could bring all of you closer together. Good news could come through the mail, email, or phone regarding goals you've been trying to reach. You're also likely to send out a lot of communications yourself.

Virgo 8/23-9/22

Paperwork involving finances,

Virgo, perhaps personal, perhaps involving your employer's funds, or both, is likely to need some intense attention during the day. This doesn't necessarily imply anything negative. In fact, just the opposite. It does mean that some careful planning or budgeting is going to be required in order to make the most of your current situation.

Libra 9/23-10/22

Today you may want to spend your free time alone, contemplating various ideas, Libra. Spiritual or metaphysical philosophies from ancient cultures or foreign lands might be more appealing than usual. Reading about them at this time could approach obsession, but this is OK. Whatever you learn today is likely to contribute greatly to your personal growth and perhaps self-expression.

Scorpio 10/23-11/21

Today, Scorpio, your mind may turn toward deep subjects. You could explore the sciences, psychology, the occult, or metaphysics. You will probably discover some new facts or ideas that could keep your mind occupied for hours. Needless to say, you will spend much of your time alone exploring these themes. You might also want to write down your insights and revelations to study later.

Sagittarius 11/22-12/21

A sudden upsurge in your intuition could have you feeling more in tune to the thoughts, feelings, and desires of others, Sagittarius. Your communication is going to be clear and open as a result. You're likely

to grow closer to everyone dear to you, especially your romantic partner. Don't expect everything you pick up to be positive. Others have their issues. Let them know you understand.

Capricorn 12/22-01/19

Your mind is strong and focused today, Capricorn. As a result, you're probably feeling especially physically robust. Sudden insights could earn you some satisfying acknowledgement, not to mention the respect of someone important to you. Your intuition level is high and apt to serve you well now, particularly where work and health are concerned. Make the most of it!

Aquarius 1/20-2/18

Expect to spend much of your day alone, Aquarius. Information obtained from books or videos, perhaps involving history, philosophy, or religion, might inspire you to look deeper into a subject and turn it to your own advantage. You might decide to take a trip or return to college. There's also the chance that you could be inspired to write or otherwise express your ideas and feelings. Go to it!

Pisces 2/19-3/20

Some strange dreams could stimulate your imagination and start you on new avenues of exploration. You might at some point play detective. What you seek is likely to be within your psyche. Don't be surprised if you learn new things about yourself that you hadn't been aware of before. You could also find your psychic faculties increasing.
