believed was associated with ISIS; however, unbeknownst to Carpenter, the individual was a covert FBI employee. Carpenter provided English-language translations of ISIS media content to that individual for use by ISIS.

The indictment and arrest were announced by John C. Demers, Assistant Attorney General for National Security at the U.S. Department of Justice, Francis M. Hamilton III, Acting United States Attorney for the Eastern District of Tennessee; and Joseph E. Carrico, Special Agent-in-Charge of the Knoxville office of the Federal Bureau of Investigation. The case was investigated by the Knoxville Joint Terrorism Task Force, which is comprised of federal, state, and local law enforcement agencies, including the Tennessee Bureau of Investigation, Tennessee Highway Patrol, Clinton Po-

lice Department, and Knoxville Police Department.

If convicted, Carpenter faces up to 20 years in prison. The maximum potential sentence in this case is prescribed by Congress and provided here for informational purposes only, as any sentencing of the defendant will be determined by the assigned judge. In all cases, defendants are presumed innocent until and unless proven guilty; indictments merely contain allegations supported by probable cause.

The government is represented by Assistant U.S. Attorney Casey T. Arrowood of the Eastern District of Tennessee and Trial Attorneys George C. Kraehe and Felice John Viti of the National Security Division's Counterterrorism Section.

Members of the public are reminded that an indictment constitutes only charges and that every person is presumed innocent until his/her

guilt has been proven beyond a reasonable doubt.

Unusual happenings throughout the day could make your head spin, so you will need some fun in the evening!

Libra 9/23-10/22

Emotional reunions with friends or relatives you haven't seen in a long time could take place today, Libra. Some of these might be unplanned and off the wall. You might meet your sixth-grade teacher at the mall, increasing the feeling of warmth and happiness that you've been enjoying lately. An evening spent relaxing at home with loved ones increases your sense of security.

Scorpio 10/23-11/21

A quarrel with a friend might put you in the position of having to lay all your cards on the table and tell him or her exactly how you feel. It isn't always easy to be so frank, Scorpio, but today the strength of your sincerity should impress your friend and make your friendship stronger. Your honesty can also prove beneficial when it comes to starting, working toward, or completing long-term goals.

Sagittarius 11/22-12/21

A talent for writing that you haven't tapped may surface today, Sagittarius. Perhaps using a computer, particularly one with voice activation, is making it possible. Your imagination is in full swing, and your work may be very entertaining. If you've been thinking about writing, this is the day to start. It's also a good day to handle paperwork relating to finances. You should breeze through it.

Capricorn 12/22-01/19

You could either be planning or preparing for a long journey by air, Capricorn. Your plans may still need to be confirmed. Today is the perfect day to do this. Spiritual matters might be very much on your mind right now, and you might read a lot about such subjects. Don't be surprised if it proves difficult to put them out of your mind.

Aquarius 1/20-2/18

Unexpected social invitations might find you meeting people in the healing professions - doctors, surgeons, nurses, or technicians. You might also rub shoulders with bankers and investment advisers. Take their contact information. They may prove valuable to you later. Financially beneficial news of some kind could come today. This is a good time to invest or start a new savings plan.

Pisces 2/19-3/20

The vast social whirl of late might have overwhelmed you with new names and faces, all of which you want to remember. Today would be a good day to follow up with some of them by phone, postcard, or email. Your charisma and sincerity are likely to have made just as much of an impression on them as they did on you, Pisces. Don't be shy.
