On April 19, 2021, a federal jury convicted Kent Lowery Booher, 64, of Harriman, Tennessee, a registered sex offender, of multiple sex crimes involving minors. Booher, a disbarred criminal defense attorney, was found guilty of enticing and attempting the enticement of a minor for sex, committing a sex crime with a minor

while being a registered sex offender, sex trafficking of a child, and attempted production of child pornography. As a result of the convictions, the defendant faces a prison sentence of 25 years to life. Sentencing is scheduled for August 18, 2021, before the Honorable Thomas A. Varlan, United States

District Judge.

The investigation began when an undercover investigation revealed that Booher, a convicted sex offender, began communicating on Facebook with an individual he believed to be a 14-year-old girl. Over a period of five days, Booher used

Office Manager Stole from TennCare Supported Company in Jefferson City
Tonya Lindsey worked for Priority Senior Care, LLC

An investigation by the Tennessee Comptroller's Office, working in conjunction with the Jefferson City Police Department, has resulted in the indictment of Tonya Lindsey, the former office manager for Priority Senior Care, LLC (Priority) in Jefferson City, Tennessee.

Priority provides in-home care to qualified seniors and receives the majority of its funding through TennCare, the state's Medicaid program.

Investigators determined that Lindsey paid herself

an extra \$44,104 between January 2019 and October 2020 by issuing herself 66 payroll payments without the authority or knowledge of Priority's owner.

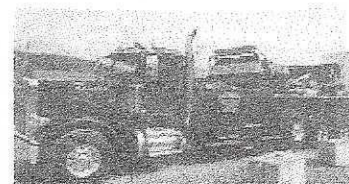

Lindsey manipulated payroll data and records to conceal her theft. In some cases, she altered the payroll software to make it appear that she

had issued direct deposit payments to a fictitious employee named Jennifer Greene. For example, in October 2019 when there were two payroll periods, Lindsey issued ten payroll payments to the fictitious employee. Investigators determined the money was actually deposited into Lindsey's bank account.

Booher

Facebook, text messaging, and telephone calls to attempt to entice the individual to engage in sexual activity. On March 8, 2019, Booher was arrested by the 9th Judicial District Attorney's Office and the Harriman Police Department while on the way to meet with a minor child.

Based upon the undercover investigation, a federal grand jury initially indicted Booher on federal charges of attempted enticement of a minor for sex and committing the enticement offense while required to register as a sex offender. Two months later, following additional investigation, the grand jury added three charges pertaining to Booher's sexual exploitation of a 15-year-old child in 2012 and 2013.

The lead agency in this investigation was the 9th Judi-

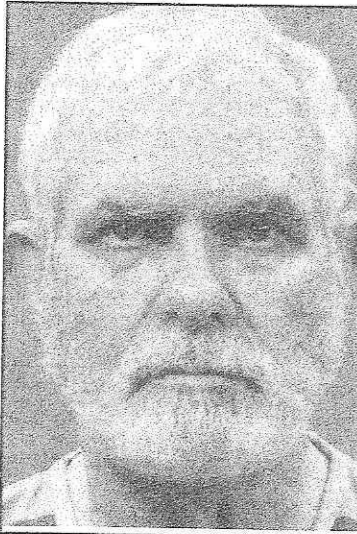

cial District Attorney's Office. The Knoxville Police Department, Internet Crimes Against Children Task Force, Homeland Security Investigations, Lenoir City Police Department, Loudon County Sheriff's Office, Harriman Police Department, Blount County Sheriff's Department, Tennessee Department of

Corrections, and U.S. Secret Service, assisted with the investigation.

Assistant U.S. Attorneys Jennifer Kolman and Frank M. Dale, Jr. represented the United States at trial.

This case was brought as part of Project Safe Childhood (PSC), a nationwide initiative to combat the growing epidemic of child sexual exploitation and abuse launched in May 2006 by the

Department of Justice. Led by U.S. Attorneys' Offices and the Criminal Division's Child Exploitation and Obscenity Section, PSC marshals federal, state, and local resources to better locate, apprehend and prosecute individuals who exploit children via the Internet, as well as to identify and rescue victims. The investigation also revealed that Lindsey made questionable purchases totaling at least \$8,428. Money was either issued directly to Lindsey or to vendors that Priority did not use. For example, money was spent at a clothing and accessories boutique and a vape store. There were no invoices or documentation to support that these purchases bene-

fitted Priority.

Lindsey's employment was terminated on October 21, 2020.

In April 2021, the Jefferson County Grand Jury indicted Tonya Lindsey on one count of theft over \$10,000 and 25 counts of forgery.

Horoscopes

know that it upsets you not to be treated the way you want to be treated.

Gemini 5/21-6/20

There may be subtle messages in people's words today that you need to attend to, Gemini. Other people could be trying to send you hints in order to push your buttons. Confront them on this behavior. Don't ignore the subtleties in their voices. Tender, loving messages may be laced with thorns intended to provoke you. Don't let this action go unnoticed.

Cancer 6/21-7/22

Don't keep playing along with the games if you no longer want to repeat the same drama, Cancer. By placing yourself in a victim role, you're opening yourself up to manipulation and control by others. To stop the repetitive pattern, it's crucial for you to stand up and recognize that you have an important part in the healing process. Recognize that you have the power and courage to change.

Leo 7/23-8/22

Today is excellent for you, Leo. You should be encouraged to take action in any artistic realm. Cook a scrumptious dinner and share it with a loved one. Give your heart a chance to speak and act on what it says. Your feminine and masculine sides are on the same page now. Take the opportunity to balance these two aspects. You're a magnet for love and romance.

Virgo 8/23-9/22

Go weed the garden, Virgo. If you don't have a garden, start one. It's important for you to get into the Earth today, so roll up your sleeves and get your hands dirty. Feeling a connection with the ground is an important step in manifesting your dreams. Buy some seeds, fertilizer, and a watering can. This is a great day to create a nurturing environment in which a seed can grow.

Libra 9/23-10/22

There's great opportunity for romance today, Libra. Love the people you're with, but don't smother them. The more you loosen your grip on a situation, the more you will gain control of it. Cutting chains to the past is the first step in moving forward toward a goal. You might not realize how much a past situation holds you back until you make the effort to release it.

Scorpio 10/23-11/21

The active and receptive natures of your being are coming together, Scorpio. There's a balance between these two aspects. You're able to attract the prosperity and love you desire by the way in which you handle yourself around others. Today is about the equilibrium between give and take. Make sure there's a healthy balance between you and your loved ones.

Sagittarius 11/22-12/21

Today is a fantastic day for you. Your sensual, caring nature will be appreciated, Sagittarius. Whether you actively pursue it or sit back and relax, you will receive the love and good fortune you desire. Your creativity is also at a peak during this time. You should take advantage of this energy and actively use your talent to create something beautiful and meaningful.

Capricorn 12/22-01/19

Being married to someone for many years takes work, Capricorn. No one said it was going to be easy. Hollywood promotes a fantasyland that can make your life look drab and boring by comparison. Realize that your life can be good and interesting, too - reality is even better than the movie version. Today is a good day to prepare for future growth.

Aquarius 1/20-2/18

Today is a great day to make your big move, Aquarius. If there's something in the love and romance department that you feel you need to act on, this is the day to do it. It's now or never. Approach all situations in a practical, caring manner. Plow forward with confidence and don't look back. Indulge in those things that give you pleasure. Get a massage or take a bubble bath tonight.

Pisces 2/19-3/20

Take your focus off you and concentrate on someone else for a day, Pisces. This doesn't mean focusing so the person will stop and pay attention to you. It doesn't mean getting their attention so that you have someone who will listen to you talk. Get someone's attention because you really want to hear what he or she has to say.

Aries 3/21-4/19

It might take an extra few minutes to get out of bed today, Aries, but it will be worth it when you do. You will find that the more honest you've been with people, the more payoffs you will receive. Being dependable and trustworthy are key issues to focus on. Act strong and proud with regard to who you are and the rewards will come. Bring a certain amount of tenderness to all your actions.
