Madisonville Man Sentenced For 50 Years In Prison For Production Of Child Pornography

On May 24, 2021, Terry Lee Gilbreath, age 52, was sentenced by the Honorable Judge Thomas A. Varlan, United States District Judge, to serve 50 years in prison for producing child pornography.

In February 2020, a federal jury convicted Gilbreath of two counts of production

of child pornography. The evidence presented at trial established that on two separate occasions in 2015 the defendant video recorded and photographed his sexual molestation of an eight-year-old child. Following his imprisonment, Gilbreath will be supervised by the United States Pro-

bation Office for the rest of his life and will be required to register with the state sex offender registry in any state in which he lives, works, or attends school.

Acting U.S. Attorney Francis M. Hamilton III of the Eastern District of Tennessee made the announcement. See Sentenced pg. 4

Former Madison County Booster Club Treasurer Indicted for Theft

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Charity [Maddox] Baker, the former treasurer of Madison Academic High School's (MAHS) Mustang Rebounders Club. The club was formed to support the MAHS Lady Mustangs basketball team.

The investigation began after Jackson Madison County School System officials reported missing funds to the Comptroller's Office.

Investigators determined that Baker stole at least \$7,582.94 from the club between April 2017 and June 2019. She was able to steal

the money by withdrawing cash from the club's bank account using bank counter checks. Baker perpetrated her scheme 14 times, withdrawing cash amounts ranging from \$75 to \$1,669.

Baker was able to conceal her misappropriation

by changing the club's bank account address from MAHS to her personal Post Office Box. She also submitted an altered money order to make it appear as if she used club funds to pay a legitimate invoice. Following the dis-

the structure of the house itself. Perhaps the plumbing or electricity needs attention. If a family member is upset, Gemini, keep the lines of communication open. If there are problems that need attention, get them out of the way now.

Cancer 6/21-7/22

Don't be surprised if many visitors come to your door today. A relative or co-worker could be in a black mood, which could spill over to you, as you're feeling more intuitive than usual. Realize that this isn't coming from you, Cancer, and let it go! Misinformation could come your way by phone, email, or mail. Check out the facts before you buy into it.

Leo 7/23-8/22

Low biorhythms could have you feeling a little depressed. You may tend to doubt your goals and abilities. Don't let this send you into a fit of gloom, Leo. All is better than it seems. Realize that today you're likely to blow every little setback out of proportion. Give everything you try your very best effort. Go out tonight and have a good time!

Virgo 8/23-9/22

Communication with friends or family may not come easily today, Virgo. An unusual level of inhibition could keep you from reaching out to others. You might try to shake this off by working too hard, even if you aren't sure exactly what you want to do. This is a good day to read, study, or work on projects in solitude. A long

walk during the day could clear your head and reignite your enthusiasm.

Libra 9/23-10/22

Your intuition is likely to be operating at a very high level today, Libra. This isn't a good day to be around sick or depressed people. You will probably pick up their gloom and it could possibly spoil your day. This is a good day to finish old projects that you may have postponed. Your insights and ingenuity are likelier than usual to give you the motivation you need.

Scorpio 10/23-11/21

Fear about your financial security could plague you today, Scorpio. Dissatisfaction with some of work you've been doing and delays in reaching some of your goals might have you wondering what you could do better. Doubts about a friend's motives might cause you to waver in your trust of that person. Take the time to consider everything objectively. All is probably not as it seems.

Sagittarius 11/22-12/21

Have you been wondering if you're in the right profession? Disillusionment with your field could have you feeling mildly ill from stress and considering a total career change. Perhaps this is the right course of action to take, but perhaps not. Look into the options available and see how you feel about them, Sagittarius, but wait a few days before making any final decisions.

Capricorn 12/22-01/19

Unsettling news from far away could have you somewhat upset and a little depressed. The temptation to withdraw and

brood might seem too strong to resist, but this may not be the best course of action. Getting things done is likely to be the best therapy in emotional situations like this, Capricorn. So if there's a new project you've been considering, this is the day to start it.

Aquarius 1/20-2/18

A friend might be ill, causing you considerable worry. One of the goals you've been trying to reach could be delayed in some way, causing frustration. Your financial situation could also be on your mind. You could be worrying needlessly, Aquarius. The situation is cloudy and may not be as unsettling as it seems. You may have received some misinformation. Check the facts before making yourself crazy.

Pisces 2/19-3/20

Relations with colleagues could be a bit strained due to increased job stress. If you've been thinking of entering a business or romantic partnership, this isn't the day to decide. Your mind may be a bit muddled. Misunderstandings or misinformation could cause you to doubt the wisdom of the partnership. This needs to be considered objectively, Pisces. Your doubts may be groundless.

Aries 3/21-4/19

Today you might feel a little under the weather due to physical and emotional stress over the past few days. Take it easy today if you can. This isn't the day to be too busy or start new projects. Miscommunication could cause an upset or two, Aries, so try to maintain your cool. Don't make mountains out of molehills. Nothing will come up that can't be handled.

Taurus 4/20-5/20

Disturbing dreams or unsettling moods could arise today, causing you to wonder if something is wrong or something bad is going to happen. Let it go, Taurus. If anything goes wrong, it isn't likely to be anything major. A recent event may have triggered old impressions that are causing these feelings. You could also be picking up on others' moods, as your intuition is high.

covery of the altered money order, Baker admitted to school officials that she used club funds for her personal benefit.

In May 2021, Charity [Maddox] Baker was indicted by the Madison County Grand Jury on one count of theft over \$2,500.

The Mustang Rebounders Club was dissolved by the Jackson Madison County School System in August 2018.

“All booster club officials must ensure they take time to review and reconcile bank statements. This helps verify that all disbursements are recorded and used correctly,” said Comptroller Jason Mumpower. “We appreciate that Jackson Madison County school officials brought this case to our attention and are taking action to prevent future problems.”
