## WindRiver Community Honors Local Law Enforcement

The neighborhood of WindRiver initiated a project to honor local law enforcement. The idea for this project was conceived during National Police Week in May. The neighbors wanted to express appreciation for the difficult and stressful job that law enforcement personnel perform on a daily basis to ensure the

security and safety of all residents of Loudon County and, in a broader sense, to all Americans.

We chose 3 local groups to honor:

Officers at Lenoir City Police Department

Officers at Loudon County Sheriff's Office

Loudon County E-911 Dispatchers.

*Executive Director ran Legacy Leadership Academy in Memphis*

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Dr. Tamika Carwell-Richmond, the former Executive Director of the Legacy Leadership Academy charter school in Memphis, Tennessee.

Legacy Leadership Academy served students in grades six through eight, and it was only open for the 2017-2018 school year. The academy ceased operations in August 2018.

Investigators determined that Carwell-Richmond stole

at least \$4,594.72. Most of this money (\$3,313.68) was withdrawn from the academy's bank account. Comptroller investigators could not verify the cash was used for a purpose related to the academy, and no doc-

## Abuse

Kimberly Mincey, 46, Grubb Road Lenoir City, was charged with Child Abuse/Neglect Endangerment.

Deputy Green LCSO, responded to Grubb Road in reference to a domestic situation. The complainant, Kimberly Mincey, advised her 11-year-old son was out of control and threatening to harm her. Deputy arrived on scene and spoke with Ms. Mincey which advised her son was making verbal threats to her and requested that Deputy take him away for a while. It was very obvious Ms. Mincey was heavily intoxicated from alcohol consumption. Deputy attempted to locate the victim inside the residence but was unsuccessful. Victim was later located outside, hiding in a lawnmower trailer. Deputy spoke with victim and observed that he suffered from mental disabilities. Victim was unable to

focus on our conversation and was emotionally attached to minor events that had occurred years prior. Deputy spoke with Ms. Mincey and advised her that arresting victim would not be beneficial to him and advised her to seek mental help for her child. Deputy requested ID from Ms. Mincey to conduct a DCS Referral. After Deputy ran Ms. Mincey's ID it returned showing an active warrant out of Knox County for child support. Deputy took Ms. Mincey into custody and asked several times for a family member or friend that could provide care for victim while she was incarcerated but Ms. Mincey was adamant there was nobody to provide care for the child and requested the State to take custody. Deputy contacted DCS and requested an immediate response for victim. While awaiting a response

Aubrey's Restaurant agreed to partner with the community to provide gift cards to the 90 individuals in the three groups. "We wanted to provide a tangible gift of appreciation to each of these groups

by presenting them with a gift card to a quality local restaurant. We reached out to Aubrey's and they agreed to partner with us on the project," said Bob Leko, who along with neighbor Steve Morrell, coordinated the project.

The effort raised \$9,000 to provide each honoree a \$100 gift card. This amount will allow the officers and dispatchers to enjoy a great meal with their families. "Bob and I were blown away by the level of participation and the generosity of the neighbors who responded to the idea. It really reflects well on the values of the people in this area," said Steve Morrell.

A presentation of the gifts to the three groups will be made at 3:00 p.m. on June 22, 2021 in the 2nd floor conference room at Lenoir City Police Department Headquarters 530 Hwy. 321 N, Lenoir City, TN. Representatives of all three groups will be present to receive the gifts. The WindRiver neigh-

bors see law enforcement as an integral part of the American fabric that makes our community and our country great. We would like to challenge other neighborhoods in the area to consider similar projects, and to perhaps broaden the effort to include other important first responder groups.

# Theft

umentation was provided.

Carwell-Richmond stole the remainder of the money (\$1,281.04) after falsifying invoices that she submitted to the Tennessee Department of Education (TDOE) for reimbursement. These invoices were related to furniture the academy was leasing. Carwell-Richmond inflated the amounts on the phony invoices to make it appear the school had paid more for the furniture than it actually did.

Additionally, Carwell-Richmond forged a business owner's signature on a letter in order to create documentation for a large sign that was purchased by the school. The letter was

submitted to TDOE as her proof of payment for the school's sign.

Carwell-Richmond also admitted to Comptroller investigators that she did not follow grant requirements associated with a \$261,000.75 federal grant awarded to the academy to assist with planning, implementation, and start-up costs. The academy still owes TDOE \$126,755.33, which served as the pass-through entity for this grant.

On May 6, 2021, the Shelby County Grand Jury indicted Tamika Carwell-Richmond on two counts of Theft over \$2,500, two counts of Forgery over \$2,500, and one count of forgery under \$2,500.

## Horoscopes

you don't quite understand. The key to making things work out is listening. Adjustments will definitely be needed on both sides, but this can only happen if both parties are willing to open their ears and understand one another's perspective.

**Leo 7/23-8/22**

Today can be an extremely productive day, Leo. You're in a good space from which to work and this will aid you in all your endeavors. Today is also excellent for looking at some of the long-term trends moving through your life now. Consider the next five or ten years and think about how your actions will affect your future. Plan ahead to get ahead.

**Virgo 8/23-9/22**

There may be a battle between old and new in your world today, Virgo. A reserved and old-fashioned perspective has a strong hold on the prevailing sentiment. This feeling is likely going to hit you square in the face as you lean toward the unconventional and more revolutionary approach to life. See what sort of past lessons you can learn from as you build the future.

**Libra 9/23-10/22**

People may seem a bit stubborn today. Your powers of adaptation may be put to the test, Libra. The people around you are likely to call on your tender, sympathetic nature. Offer a nurturing ear and strong shoulder for others to cry on. Keep things

low key and steady. The more grounded you are, the easier it will be to get along with the energy of today.

**Scorpio 10/23-11/21**

When you go up a flight of stairs, take one step at a time today, Scorpio. Skipping up the staircase two at a time could result in you falling back to the bottom. Trying to rush things today will leave holes in your projects. Finish jobs completely by making sure that every step is thoroughly taken care of. Don't ignore the details.

**Sagittarius 11/22-12/21**

Today is a terrific day for taking the plunge or making an investment, Sagittarius. Luck and prosperity are in your favor, and you have the opportunity to make some very profitable financial decisions. Your intuition is right in line with what you need to do. Make the best deal possible and provide a fair and secure future for you and your investment.

**Capricorn 12/22-01/19**

The key to being successful today is to maintain an air of stability. If others see you as too flighty and off the wall, they will hesitate about putting their trust in you. Make sure you do those things in your power that will help boost your clout. You will need this support from others later. Make a solid base to build on.

**Aquarius 1/20-2/18**

Today is a very expansive day for you, Aquarius. Your emotions can lead you into favorable situations with others. The pace of the day may seem a little slow, but

this can be used to your advantage. Examine every detail with care and try not to leave any piece of the equation unaccounted for. You should enjoy a stable, caring mood that radiates out and draws others toward you.

**Pisces 2/19-3/20**

You may feel like you're coming up against a brick wall, Pisces. Your emotions are a bit stifled and you may find that you're more stubborn than usual. There is a large and beneficial force that you can tap into today, as long as you keep your intuition open. The less you search for it, the more likely it will come to you. Something may spur you to act.

**Aries 3/21-4/19**

Smile at the world today, Aries. Be thankful for the things you have and the people around you. Amplify the cozy, warm feeling inside and spread this love to others. This is a very expansive time for you in which you can get quite a bit accomplished if you set your mind to it. Radi-

ate your true nature through every cell in your body and watch as the opportunities come your way.

**Taurus 4/20-5/20**

Today isn't the best day to play practical jokes, Taurus, so put away the disappearing ink. Stick close to home. Find security in doing things you know how to do best. Hang a painting and cook a scrumptious dinner. You can inspire others with your smile, so use it. Don't get down if your thoughts aren't flowing well with the group. This is a sign that you should spend some time alone.

**Gemini 5/21-6/20**

There may be a great deal of opposition in your way today, Gemini, but try not to dwell on it. The key is to stay levelheaded and maintain a positive outlook. This is a day in which you can bring a great deal of balance to issues by understanding and respecting the other side. Have charity for those who are making sacrifices so that you may have a more comfortable ride.

**Abuse ctd. from pg. 2**

from DCS Deputy spoke with victim which stated his mother had thrown a metal towel rack at him. Victim advised he was in his bedroom behind his closet door taking cover from the towel rack and as he knelt to dodge the rack, it struck him in the top of the head causing pain. Victim claims his mother rushed to grab the rack and hid it from him.

Victim made a statement in regards to not being able to put on a helmet prior to the rack being thrown at him but was unable to provide details in regards to this statement. Deputy felt what appeared to be a small knot on the top of his head and victim stated it hurt to be touched.

Victim also stated Ms. Mincey had thrown a charger at him the night prior which

struck him in between the eyes. Deputy did observe a light red mark between his eyes. Deputy asked victim if his mother harmed him often in which he stated she often threw his personal items at him but could not be specific as to what the items were. Victim suffered from numerous insect bites on his legs, arms, stomach, back, and forehead. Victim claims they were flea bites and had advised his mother of the bites but she did not seem concerned. DCS did not respond to the scene but instead contacted victim brother, who agreed to provide care for him during Ms. Mincey's incarceration. Ms. Mincey was taken into custody and transported to Loudon County Jail without incident where she was charged with Child Abuse. All the above did occur in Loudon County, TN.
