Iris Hernandez, 36, Old Midway Road Lenoir City, was charged with Domestic Assault. Deputy Harrison LCSO, was dispatched to Old Midway Road in reference to a verbal domestic between

a boyfriend and girlfriend. Once on scene, Deputy made contact with a female on the front porch of the residence, Iris Hernandez, who stated that she and her boyfriend/victim had been in a verbal argument once they arrived

selling firearms from the business. Following a search of the premises, investigators recovered a large amount of assorted ammunition, firearm magazines, and 14 firearms—including rifles, shotguns, and pistols—hidden in various locations on the property. One of the firearms was stolen. During an interview with an ATF Special Agent, Wilborn, the store operator, admitted to possessing the firearms and stated he knew it was illegal to possess firearms due to his status as a convicted felon.

“This successful prosecution is the direct result of collaboration between federal and local law enforcement,” said Acting United States Attorney Francis M. Hamilton III. “We value these relationships and look forward to continuing to work with our law enforcement partners to combat the illegal possession

of firearms in the Eastern District of Tennessee.”

“It is imperative to keep firearms out of the hands of convicted felons and to prevent the sale of illegal firearms. ATF will continue to work in conjunction with and support local law enforcement agencies to prosecute those individuals who illegally possess and sell firearms,” stated Terry M. Jones, Resident Agent in Charge of ATF Chattanooga Field Office.

Chattanooga Chief of Police David Roddy said, “the dedicated teamwork by Chattanooga Police Investigators and our partners with the ATF and United States Attorney’s Office has resulted, yet again, in the successful removal of crime guns and a criminal in Chattanooga. By working together, these law enforcement professionals have taken guns out of circulation and prevented a

Wilborn from furthering the spread of gun violence.”

Special Assistant United States Attorney Kevin Brown represented the United States. Brown is a Special Assistant City Attorney with the Chattanooga Police Department assigned to the United States Attorney’s Office to prosecute violations of federal firearm and drug laws.

This case was brought as part of Project Safe Neighborhoods (PSN), a compre-

hensive national strategy that creates local partnerships with law enforcement agencies to effectively enforce existing gun laws. It provides more options to prosecutors, allowing them to utilize local, state, and federal laws to ensure that criminals who commit gun crime face tough sentences. PSN gives each federal district the flexibility it needs to focus on individual challenges that a specific community face.

Evading

Tony Thompson, 31, Shields Ferry Road Morristown, was charged with DUI, Reckless Driving, Poss. Of Drug Para, Driving on Revoked/Suspended license, Evading Arrest, and Theft of Property.

Deputy Dalton Harrison LCSO, observed a blue Mazda 3 traveling in the opposite lane of travel on Beals Chapel Road and nearly striking his Patrol Unit head on. Deputy turned around on the vehicle and attempted to conduct a traffic stop at Northshore and Beals Chapel. The vehicle continued on and failed to come to a stop, at which point Deputy activated all of my emergency equipment and the vehicle turned right on Martel Road and drove through the yard at Martel Road causing damage. The vehicle continued to flee leading Deputies onto Hwy 321 at a high rate of speed then proceeded to turn on Hwy 95 into Greenback passing cars on the opposite lane of travel. The vehicle turned back on Hwy 321 towards Lenoir City where it was spiked just passed the dam bridge. It continued on

running the red light at the intersection of Hwy 11 and Hwy 321. Deputies were able to box the vehicle in on Martel Road at Avery Street. After removing the offender from the vehicle identified as, Tony Thompson, he was placed in custody and read Miranda at which point stated he had just shot up Heroin and Meth prior to me attempting a traffic stop. After running the VIN on the vehicle and the offender's name, Loudon County Dispatch confirmed it was stolen out of Sevier County two days prior (NCIC#V033004985) estimated value \$8,000, and that Thompson's license was Revoked. The registration plate displayed on the vehicle did not come back on file and had been altered to display the incorrect issue year. EMS arrived and administered one dose of NARCAN to Thompson due to him nodding in and out of consciousness. During an inventory of the vehicle, Deputy located a scale with residue and two used needles. Deputy transported the offender to the Loudon County Jail without further incident. This did occur in Loudon County, Tennessee.

Horoscopes

You would do well to tap into this aggressive energy and use it to follow through on some projects that you've left hanging, Cancer. Other people may be unyielding in their positions, but you can easily overcome this by tapping into your flexible, adaptable nature. Don't get upset and restless. Go with the flow.

Leo 7/23-8/22

Tune into the aggressive energy of today, Leo, and use it to push your intentions forward. Today's emotional intensity will bring you to your knees if you aren't careful. The secret is to harness the energy and use it to your advantage. Try not to get caught between the crossfire of conflict. Tap into the slow-moving, generous force that's helping you ground your thoughts and emotions.

Virgo 8/23-9/22

This is one of those days in which you need to act or else you will be acted upon, Virgo. Stubborn, aggressive forces are working counter to your aims. You will find yourself swept up in the thick of things if you aren't careful. Don't get too worried about what other people consider wrong. Have confidence in what you know is right.

Libra 9/23-10/22

The intense energy of the day is helping you streamline your projects and solidify your thoughts, Libra. Work to manifest the ideas and dreams that constantly swirl in your head. Today is a great day to bring your mind into focus and get down to the nitty-gritty. Clean up the scraps

off your plate and make room for the next gourmet course to be served.

Scorpio 10/23-11/21

Suddenly your emotions are much more intense, Scorpio. You notice that people are on edge and they're likely to go to extremes in all situations. This is one day to do things with passion. If there is any sort of detective work you need to get done, now is the time to do it. Try not to start any arguments. Others aren't likely to back down. All-out wars are likely to ensue.

Sagittarius 11/22-12/21

There's a strong force working to oppose you today, Sagittarius. Another's unbending attitude may be holding you back from things you're trying to accomplish. Take the time to see the other side of the situation. You can gain a great deal of perspective and come to a healthy point of balance, thanks to the events of the day. Don't back down from your viewpoint just because everyone doesn't agree with you.

Capricorn 12/22-01/19

There's an intensity about the day that may cause you to recoil from certain events and conversations, Capricorn. Issues could get uncomfortable and perhaps a bit too involved. Other people may want to go to places that you don't want to go to. Don't get upset or frustrated. Either join in and roll with the punches or walk away and deal with the issues later.

Aquarius 1/20-2/18
You would do well to join the intensity of the day, Aquarius. You have the ability to unravel any riddle and find the underlying cause of any

dispute. There's a great deal of potential for you to follow through on some major projects today. Work to press through with your ideas. Don't back down. Your sensitivity is your greatest asset. Feel free to express your emotions.

Pisces 2/19-3/20

Today might end up being quite combative, Pisces. There may be people opposing you from all sides. There are apt to be some serious disruptions to your daily routine. Others may be quite stubborn, and you're apt to fall into a situation in which no one is willing to back down. Whatever happens, you will be called upon to act. This will most certainly be an eventful day.

Aries 3/21-4/19

Your flexibility will be tested today, Aries. You may end up twisting and flexing your body to fit the contours of the day. You will find that if you join forces with the powerful movers, you will get quite a bit done and be successful. Don't be intimidated by the intensity of other

people's emotions. You will find strength in your calm, grounded self.

Taurus 4/20-5/20

You may have a hard time figuring out why everyone is so worked up today. Don't waste your time, Taurus. You're better off accepting that things simply are the way they are and allowing other people to have their drama. Your job is to maintain balance. This may be easier said than done. You're working with some pretty intense issues, but nothing you can't handle.

Gemini 5/21-6/20

If anyone is capable of dealing with the intense emotional energy of today, it's you, Gemini. Other people may be angry and unable to stomach the sensitive issues that may arise. Take care, since there may be some major opposition coming at you that disrupts your plans. You will face a practical, grounding force that questions your methods of operation. Use these lessons to your advantage.
