Georgia Man Sentenced For Stealing Medical Treatment Using Veteran's Identity

Kristopher M. Voyles, 31, of Georgia, was sentenced to 27 months in prison, followed by three years' supervised release, by the Honorable Clifton L. Corker, in the United States District Court for the Eastern District of Tennessee at Green-

eville.

As part of a negotiated plea agreement, Voyles pled guilty to theft of more than \$1,000 of government property. Voyles will be required to make restitution of \$20,502 to the Department of Veteran's Affairs.

According to court

records, Voyles is not a veteran and has never served in the United States military. On October 9, 2019, Voyles used the name, date of birth, and social security number of a United States veteran when receiving medical services at a hospital in Knoxville, Tennessee.

The next day, while still impersonating the veteran, Voyles obtained a transfer to the VA Medical Center in Johnson City, Tennessee. Voyles used fraudulently obtained identification documents, and a fraudulently obtained Form DD214. For approximately a week, Voyles accepted medical goods, items, and services from the VA Medical Center. The value of the goods, items, and services Voyles stole was \$20,502. When apprehended, Voyles still had the veteran's identification documents with him, including the fraudulently obtained Form DD214.

Subsequent investigation revealed that Voyles had previously been prosecuted by Atlanta, Georgia authorities for using the same veteran's identity to obtain prescription drugs from the VA Medical Center in Atlanta.

The criminal indictment was the result of an investigation by the Department of Veterans Affairs Police and the Department of Veterans Affairs Office of Inspector General ("VAOIG"). The federal investigation was led by Special Agent Charles Pack, VAOIG.

Assistant U.S. Attorney Mac Heavener represented the United States.

DUI and More

Alonso Estrada Salinas, 29, Destiny Ridgeway Knoxville, was charged with DUI, and Driving without Valid license.

Deputy Dalton Harrison LCSO, was dispatched to the area of Highway 70 East at Creekwood for a large rock in the roadway. While en route, an additional call came in and Loudon County Dispatch advised Deputy that a vehicle had struck the rock and was disabled. Once Deputy arrived on the scene,

he observed a white box-style van in the left-hand lane with the boulder underneath. The offender, identified as Alonso Estrada Salinas, was attempting to jack the vehicle up himself with a small floor jack. While speaking with Salinas, he had bloodshot eyes and a strong odor of an alcoholic beverage emitting from his person. Deputy asked him where he was coming from that evening and he stated that he had just left a friend's house after having a couple of

beers. He stated that he was the one driving the van and didn't have a license. Deputy asked if he would consent to SFSTs to which he did, and performed poorly on all tests given.

Deputy placed the offender in custody for driving under the influence and driving without a valid license. Implied consent was read to the offender and he refused all tests. Malones wrecker service arrived and towed the vehicle.

DUI

Shane Sweet, 35, Lovell Road Knoxville, was charged with DUI, and Violation of Implied Consent.

Deputy Green LCSO, was advised of a possible intoxicated driver in the area of Martel Road. Deputy Gray observed a gold Honda traveling on Martel Road. This vehicle was traveling in the ditch on the side of the roadway. Dep. Gray caught up to this vehicle and observed the vehicle swerving in between both lanes of travel and conducted traffic stop. Deputy arrived on scene and spoke with the driver, Shane Sweet, which was unable to engage in conversation due

to his apparent level of impairment. Mr. Sweet could not maintain consciousness to answer basic questions and displayed indications of drug impairment. Deputy determined it to be unsafe for Mr. Sweet to attempt SFST. Deputy took Mr. Sweet into custody for driving under the influence. Due to Mr. Sweet's level of impairment, Deputy was unable to advise Mr. Sweet of TN Implied Consent and request a blood sample for testing. Deputy transported Mr. Sweet to Loudon County Jail without incident where he was charged with Driving under the influence and violation of TN implied consent. All the above did occur in Loudon County, TN.

Horoscopes

group, Cancer. Adopt a more inwardly directed attitude and see what you can learn by tuning into others' subtle messages. The masculine and feminine sides of your nature are working harmoniously. You might find that they're both asking for a quiet night in.

Leo 7/23-8/22

You should feel a renewed sense of confidence today that will help anchor your emotions and give strength to your thoughts and ideas, Leo. Don't take a pessimistic attitude toward everything around you. Look at the good instead of the bad. By maintaining a negative viewpoint about things, you're only adding to the problem. You have every right to be happy.

Virgo 8/23-9/22

Many people spend their whole adult lives trying to discover their true self, Virgo. A great deal of social conditioning by parents and our environment plays a role in shaping our minds. Realize that many of these influences don't necessarily ring true with your inner self. Take this day to uncover some of those early influences and discard the ones that don't belong to you.

Libra 9/23-10/22

Today is an extremely creative day for you, Libra. You should allot time and space to pursuing an artistic goal. You're like a magician who has the power to bring fantasies to life. Spread the magic to others and don't second-guess your incredible

healing ability. You have a strong presence that radiates powerfully. Be charitable and generous to others.

Scorpio 10/23-11/21

There's nothing worse than last-minute details, Scorpio. Concentrate on an important upcoming event. Make sure you have everything in line now so you don't get caught dealing with that one thing that ends up putting a monkey wrench in your plans later. Anticipate the problems that you're likely to encounter and take actions now that will nip these situations in the bud.

Sagittarius 11/22-12/21

Your intuitive side is aligning with your rational side today, Sagittarius. Listen to your emotions. Take a sensitive approach to all people and situations. Your head may be up in the clouds. Take elements of this lofty perspective and incorporate them into your conscious mind. Run away with your fantasies. Nurture your loved ones.

Capricorn 12/22-01/19

Slow down the pace today, Capricorn. This is a day to sit back and observe and contemplate. Your mind may go in a hundred different directions, and you may be unsure which route to take. Try to quiet the buzzing chatter within. Be receptive to the loving, sensitive forces around you. Try not to disturb the flow by bringing up unrelated issues and hurtful gossip.

Aquarius 1/20-2/18

Your nurturing instincts are strong today, Aquarius. This

is an excellent day to reveal your opinions. You've probably been sitting in the background, quietly observing and collecting data for quite some time. Now is the time to come out of the shadows and let your conclusions be heard. Don't let others push you around. Take a stand for what you know is right.

Pisces 2/19-3/20

Things aren't necessarily going to go well today, Pisces. There is the potential for conflict. You may feel a bit lost in the fog. Strap on your compass and you will be fine. Realize that you will make it through this day much better if you approach every situation from the other person's perspective. Think more of others than of yourself. Be sensitive and receptive.

Aries 3/21-4/19

Today is a day of reckoning in some ways, Aries. Attention to detail is important, but make sure it doesn't become your only focus. Situations are likely to crop up in which you've analyzed and considered every single detail but failed to see the big picture.

This is a wonderful day to remedy such situations. Take care of anything that needs a broader perspective.

Taurus 4/20-5/20

Be more sensitive to other people's space today, Taurus. Respect their feelings and give them room to breathe. This is a great day to pursue creative projects. Do things involving art or music. Sing, play an instrument, or give your music collection a boost. There are opportunities open now that involve other people who share the same interests as you.

Gemini 5/21-6/20

Think about old times and people with whom you've had strong connections, Gemini. Remember the good times you shared with people of common interests and similar hobbies. Be sentimental and mushy. Mend bridges and bring resolution to sticky issues. Be harmonious with the people and situations around you. World peace begins with you. Incorporate more of this ideal into your life.
