Former Springfield Business Owner Charged In Fraudulent Loan Scheme

A federal indictment was unsealed today, charging Chad William Rudicel, 52, formerly of Springfield, Tennessee, with seven counts of wire fraud, one count of mail fraud, and two counts of aggravated identity theft, announced Acting U.S. Attorney Mary Jane Stewart for the Middle District of Tennessee. Rudicel was arrested by FBI agents at his home in

Largo, Florida, earlier this morning.

According to the indictment, Rudicel owned Ellis & Rudicel Welding (E&R), a steel fabrication and welding company located in Springfield, Tennessee. In the summer of 2015, Rudicel offered to purchase Brown's Welding and Steel Services / Brown Cliff Crane (Brown's Welding), another steel welding

and fabrication business. The owner of the business gave Rudicel access to the books and records of the business so that Rudicel could have the business appraised. Rudicel never actually purchased Brown's Welding but instead, in the spring of 2016, Rudicel sought funding from Thermo Communications

Funding, LLC (Thermo). As part of the loan agreement, Rudicel falsely claimed that E&R had performed work for Brown's Welding in the amount of \$279,700. E&R had not, in fact, performed any work for Brown's Welding, and Brown's Welding did not owe E&R any money. Rudicel gave Thermo fabricated invoices and forged the signature of the owner of Brown's Welding on a number of documents. Further, Rudicel falsely represented to Thermo that the owner of Brown's Welding had consented to the deal. Rudicel did not repay the loan to Thermo but instead, took out another loan in the amount of \$25,000 from an investment company called New Hope Properties, LLC, which he promised to repay within two months. Rudicel opened a bank account in the name of "Brown's Welding and Crane Service," and deposited the check into that account. He then wrote Thermo a check

for \$25,000 out of that account, but that check was returned for insufficient funds because Rudicel had already spent the money he received from New Hope.

In March 2017, Rudicel applied for another loan, this time from Construction Finance LLC. Rudicel applied for that loan in the name of the owner of Brown's Welding, without his knowledge, and forged the owner's signature on several documents. Rudicel gave Construction Finance several false invoices and job contracts that made it appear that Brown's Welding had entered into contracts with various clients, and that Brown's Welding had subcontracted that work to E&R. Rudicel falsely made it appear as though E&R was owed approximately \$531,000. Several of these false documents contained the forged signatures of a Brown's Welding employee and representatives of the purported clients. In addition to the forged signatures, these invoices and contracts were

false and fraudulent because neither E&R nor Brown's Welding had entered into contracts with these clients, nor completed the work, nor were they owed money by any of these clients.

If convicted, Rudicel faces a mandatory two-year sentence on each aggravated identity theft count and up to 20 years and a \$250,000 fine

on each wire and mail fraud count.

This case was investigated by the Federal Bureau of Investigation. Assistant U.S. Attorney Kathryn W. Booth is prosecuting the case.

An indictment is merely an accusation. The defendant is presumed innocent until proven guilty in a court of law.

Horoscopes

you have a fairy godmother, you need to take matters into your own hands. Realize that you can get there many different ways. The first step is always to believe in yourself and the fact that anything is possible. Today is a great day to let your imagination take charge.

Virgo 8/23-9/22

If people start to hassle you today or give you a hard time about your appearance, pay them no mind, Virgo. You have the right to live your life any way you want. If that means you want to go around the house in a grubby shirt and sweatpants that haven't been washed in months, so be it. Be the person you want to be.

Libra 9/23-10/22

Reach for the pot of gold at the end of the rainbow, Libra. It's closer than you think. Indeed, your dreams are completely within your reach. There are forces at work today helping you to achieve your goals. You should be in a positive mood all day, and people will be very responsive to you. Let your fantasies lead the way.

Scorpio 10/23-11/21

Today is your day to dream big, Scorpio. Think about what you want most out of life. Aim at the stars. There's no limit to how far you can go. Your only limitation is your imagination. Don't worry if your plan doesn't

seem to make rational sense. Worry more about what you want and less about how you're going to get it.

Sagittarius 11/22-12/21

Expand your mind to its furthest reaches today, Sagittarius. There's an incredible opportunity opening up in which you can make great strides in a creative realm. Follow the music today. Pick up an instrument, go to the record store, or listen to a live band. Let the artist within you have room to shine. Shoot for a goal and don't stop until you reach it.

Capricorn 12/22-01/19

Your mind may seem rather cloudy today, Capricorn, but don't let this hinder you. In fact, you can use this dreamy feeling to your advantage. Try to bring more magic into your life. The more you accept your bizarre feelings and ideas, the more things will fall into place. Don't think that everything in life has to be completely rational.

Aquarius 1/20-2/18

This is an excellent day for you, Aquarius, in which your emotions will be strong. Trust that your instincts are serving you well, better than any other sign. You have nothing to lose by following your heart. This is an important time for you to rekindle the dreams that you've let smolder. Bring more of your fantasy world into your everyday life.

Pisces 2/19-3/20

Things may get a bit confus-

ing today, Pisces. Don't feel like you need to make sense of it all. In fact, that may be impossible. Whatever you do, make sure you're being yourself. Let your creative nature shine through. Other people are quite malleable, so you should take the lead in just about any situation. Make sure that you're considerate of other people's needs.

Aries 3/21-4/19

Mix your reality with a bit of fantasy today, Aries. Kick back for a while and rest. Try to spend time meditating and clearing your head of daily worries. Calming, relaxing activities are the best way to spend today. Take walks with friends and go deep into conversation about outlandish subjects. Give yourself time and space to dream.

Taurus 4/20-5/20

Let yourself go into creative mode today, Taurus. Drift into a whole other world. Escape your present reality and explore your fantasies through artistic endeavors. Dream as big as your mind

will allow. There's no limit to the things that can be realized on a day like this. Push your limits and test your boundaries. You may be able to soar much higher than you think.

Gemini 5/21-6/20

Things are slipping into place quite nicely for you, Gemini. Your persuasive manner and gentle nudges are enough to get people where you want them. Control is all yours if you want it. Remember that as you accept praise for success, you also need to be willing to accept the blame of failure. Any risks you take today will probably work out in your favor.

Cancer 6/21-7/22

When faced with ten entrees on a menu, it may be hard for you to choose just one. Order two or more, Cancer. Don't let indecisiveness hinder you. At the same time, don't view it as something negative. The key for today is to go with the flow. Expand your dreams as you wish. Have fun and be willing to take full responsibility for your actions.
