Former Rossview High School Band Director Stole Money Intended for Trip

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Brock Cobb, the former band director at Rossview High School, which is part of the Clarksville-Montgomery County School System.

The Comptroller's Office initiated its investigation after

school officials reported possible missing funds.

Investigators determined that Cobb stole at least \$2,750. The money was collected from students and family members as payment for a March 2020 spring break band trip to New York City. The trip was cancelled due to the COVID-19 pandemic.

Cobb failed to turn

over at least \$2,750 that he collected to the school bookkeeper for deposit into the school's bank account. Instead, Cobb kept the money for his personal benefit. He also failed to account for all of the money on school collection logs, as required, which helped him conceal his misappropriation.

Wanted

Sammy Clabough, 48, Lenoir City, was charged with Man/Sell/Del/Resale Sch. II, Simple Possession, and Assisting other Agency.

Deputy Harrison LCSO, along with Deputy Gray and Sgt. Fagiana arrived on scene at Turman Drive to locate Sammy Clabough on felony warrants out of Monroe County.

Deputy Gray located Clabough in the back bedroom of the residence laying on the bed. Deputy made contact with Clabough while Deputy Gray spoke with other individuals inside the residence. Once Loudon County Dispatched confirmed the warrant hit, Deputy began to place Clabough in custody at which point he retrieved

a small baggie of pills containing nine 5mg Oxycodone and a cigarette pack from his person. He then pulled a small baggie out of the cigarette pack, later found to contain approximately 1.0gm of meth, and attempted to hide both.

Deputy secured his hands and placed him in custody. Deputy was able to return back in to the residence and locate the small bag of pills behind the bed where he had tossed them before Deputy placed him in custody.

Deputy Gray located the baggie of meth at the base of the bed where the offenders feet were. Narcotics was notified and TruNarc scans will be done on the methamphetamine.

This did occur in Loudon County, Tennessee.

Charged

Brandi Stewart, 40, Bank Street Tellico Plains, was charged with False Reports/Statements.

Deputy Allen LCSO and Deputy Rogers LCSO, observed a sports bike and a white Mazda truck exit a driveway onto Hwy 411. After doing so, the sports bike then rode a 'wheelie' while on the highway. Deputy turned around on the bike, which had green LED lights on either side of the registration, and it accelerated at a high rate of speed. The previously stated Mazda also accelerated and turned onto Trigon Rd N. Deputy pursued the truck and observed it driving recklessly, appearing that the driver was impaired. After turning on to Trigon road the truck then left the roadway near Trigon Rd and drove through a cattle field. The driver then drove through a barbed wire fence at Trigon, gaining access to the roadway. The top rung of barbed wire did not break which created a barrier between the assailant and Deputy, that allowed him to escape. While pursuing the vehicle in the cattle field there was a period of time

the vehicle was immobile and facing Deputy direction. Deputies observed a thin white male driver with a Georgia hat and a cut off shirt on. The passenger was also observed to be a thin white male. Upon losing contact with the vehicle, Loudon E911 advised a female at Hwy 411 had called reporting her Mazda truck stolen. After confirming with driver's license and social media pictures, said Deputies positively identified the driver as Chad Dugan, the boyfriend of the vehicle's owner, Brandi Stewart. This information led Deputy to determine Ms. Stewart had created false information to protect Mr. Dugan and her vehicle. The Mazda was later located by Deputy Curtis wrecked off the roadway near Lee Shirley road and abandoned. The hat that was observed on Mr. Dugan was found on the dash board and was also observed in Mr. Dugan's social media posts. Deputy wrote warrants on Mr. Dugan for Evading Arrest and Driving on a Revoked License. Deputy also wrote a warrant for Filing a False Report on Ms. Stewart who was unable to be located afterwards. Said did occur in Loudon County TN.

After the trip was cancelled, several parents contacted the school and Cobb to voice concerns that their refund was less than what they had paid for the trip. After receiving questions from parents, Cobb made payments to the families directly.

Cobb resigned as Rossview's band director effective June 22, 2020.

In July 2021, the Montgomery County Grand Jury indicted Brock Justin Cobb on one count of theft over \$2,500.

"Tennessee school systems must ensure that teachers who collect money are following the rules," said Comptroller Jason Mum-power. "These rules include preparing accurate collection records and ensuring money is turned over to the cashier each day for deposit. I'm pleased to see the Clarksville-Montgomery County School System is already taking steps to improve in this area."

Police Beat

Ilena Estenoz, 39, Gadusi Lane Loudon, was charged with Domestic Assault.

Deputy Dalton Harrison LCSO, was dispatched to Gadusi Ln in reference to a physical domestic. Once Deputy arrived on the scene, he spoke with the victim/complainant, who stated that he and his wife, Ilena Estenoz, had gotten into an argument earlier in the night and he left the residence to separate himself, but she followed in his green Nissan Altima to chase him through the neighborhood. The victim was able to make it back to the residence and lock himself in the bathroom. She then returned to the residence on foot stating she wrecked the car and began to argue with the vic-

tim. The victim was in the bathroom to avoid any confrontation with Mrs. Estenoz when she made her way in the bathroom and struck him in the face with a Monster Energy can. She then left the residence in the victim's grey Dodge Journey taking keys to both vehicles with her. While speaking with the victim, Deputy observed he had a busted lip and blood on his shirt. Deputy then

spoke with the victim's daughter whose statement matched. Deputies were able to locate the Dodge Journey near the residence off the side of the road in the ditch line and the Nissan Altima in a new house development near as well. Based on the statements from the victim and the witnesses at the residence Deputy can determine that Ilena Estenoz is the primary aggressor.

Deputy Marshall Lynn LCSO, observed a gray Volkswagen Golf operating with no illuminated registration lamp, in the area of Highway 72 and Roberson Spring Road. vealed that Jeremiah Crider was driving with a suspended license and he could not provide evidence of a valid insurance policy on the vehicle. Moreover, Deputy located a semi crushed orange pill, believed to be Suboxone, and a plastic baggie containing eight white pills, later identified as Phentermine Hydrochloride, which is a schedule IV controlled substance. Horoscopes

if they were standing next to you. Gossip may run rampant, but that's no excuse to contribute to it. Be aware that what you say has a strong impact on the people around you. It's likely to spread to many more ears than you think.

Virgo 8/23-9/22

It's important to take action on a day like this, Virgo. Trust yourself and your instincts. Often you have the perfect counsel for everyone but you. Keep in mind that you might have to turn to others for the best advice for you. Talk things out and then take action. Hesitation will only have negative consequences. You have all the facts you need.

Libra 9/23-10/22

You might be unfocused and confused about which way to go, Libra. Your baffled look isn't giving others much confidence in your ability to make a good decision. Don't feel obliged to stay in an unhealthy situation. It may be time to let go and break some ties to things that are no longer working for you. Feel good about extracting yourself from old habits.

Scorpio 10/23-11/21

It's important to get outside and feel the wind, Scorpio. Reconnect with nature and be aware of the four elements, especially the air. Take deep breaths and fill your lungs with the energizing life force. Imagine yourself on a mountain looking over a vast ocean. Expand your awareness so that nothing escapes your attention. Keep your head clear

of clutter and be open to new adventures.

Sagittarius 11/22-12/21

Make practical use of the thoughts you've synthesized in the last few days, Sagittarius. Stretch your boundaries and extend your wisdom to the people around you. This is a day to take action. Connect with your heart and move forward with your plans. We normally think of our hearts as soft, tender, and vulnerable. Think of your heart today as tough, strong, and adventurous.

Capricorn 12/22-01/19

This is an important day to make valuable connections, Capricorn. You will be engaged in fast-paced, witty conversations and debates from which you can learn a great deal. You're good at seeing both sides of an issue. The problem is that this can lead to indecisiveness and an inability to commit. Choose a path and stick to it.

Aquarius 1/20-2/18

It may be hard for you to get a handle on things today, Aquarius. Your focus seems to jump from one problem to the next without finding resolution. This isn't a day to find a solution. You're better off researching, questioning, and gathering facts. Keep your channels of communication open, and don't try to pin anyone down for answers. You'll accomplish a lot by keeping active and light.

Pisces 2/19-3/20

You might come across strong opposition today. Someone may seem to want to cut straight through to your heart. Pisces. In reality, this is a mes-

sage reminding you to think about things in terms of the collective, the oneness of all. Be aware of a greater perspective in which you see more than just your side of the issue. Discuss the issues with others before making any major decisions.

Aries 3/21-4/19

Act on your instincts and you won't go wrong, Aries. You may need to give up control and put logical thinking aside. Let the wind take you where it will. Explore your feelings and how others influence them. It will be just about impossible to solidify any plans today. You're better off exploring options and comparing notes with others. Don't pigeonhole yourself into one way of thinking.

Taurus 4/20-5/20

You have the missing piece that people need in every situation today, Taurus. Engage in light conversation in social situations, and turn your charm up high. You have the ability to make favorable impressions on just about everyone, so set the day off on the right foot.

Get out of bed earlier than usual and get your blood pumping with a brisk walk around the neighborhood.

Gemini 5/21-6/20

People may want to talk a great deal, but they're avoiding their feelings today, Gemini. Put your emotions on the back burner and let your mind take over. Deal with the facts and make sure your emotions don't interfere with the information you receive. Things can get clouded if you don't stay true to the communication that's taking place. Be conscious of the impact of your words.

Cancer 6/21-7/22

You should be able to evaluate your emotions from a detached perspective today, Cancer. Use this opportunity to take action based on what you discover. Make sure your actions are based on practicality and you aren't acting rashly in response to someone else's hasty maneuvers. You will be amazed at the incredible things that develop if you think first.
