The Tennessee's Comptroller's Office, with the cooperation of the Tennessee Department of Human Services (DHS), continues to reveal organizations engaging in deceptive schemes within the Summer Food Service Program for Children (SPSP). This program is a federally funded program administered

by DHS.

Comptroller auditors reviewed Open Door, Inc. and Alumni Music, Inc., both based in Shelby County, during the summer of 2020 to see if these SFSP sponsors were serving meals to children. Auditors visited 21 different feeding sites, eight Open Door sites and 13 Alumni Music sites, and found that these sponsors

were not feeding children at 17 of them.

Additionally, auditors determined that Open Door claimed reimbursement for days when children were not served. Auditors have questioned \$79,771 in reimbursements paid to Open Door in 2020

Deputy L. Hawkins LCSO, was dispatched to Tshudatsi Way in reference to stolen money and checks. Deputy arrived on the scene and spoke with victim, she believes Kayla Shaw stole \$500 cash from her purse, two checkbooks from her mother's room and then used a check to withdraw \$60 from her mother's account. On Tuesday 8-3-2021 victim hired Kayla Shaw and a male to plant trees in her backyard. On that day Mrs. Shaw brought her two children with her to their residence.

Several times throughout the day, Mrs. Shaw took the children into their homes to use the bathroom. Which is next to victim mother room. Once the trees were planted, victim paid Mrs. Shaw \$50 cash and she left the residence. On 8-5-2021 victim noticed \$500 cash was missing from her purse, along with 2 checkbooks taken from the dresser in her mother's room. Once they noticed these items missing they contacted their bank, Desert Financial, to freeze their account. While doing so they noticed a check was written for \$60 to Kayla Shaw that they did not authorize. Victim advised the male did not

enter her home while he was there working and she believes he had nothing to do with the missing items. A copy of the check was sent to victim Email and has been attached to this report. This did occur in Loudon County, Tennessee.

**Phony**

Although the majority of the sites visited by auditors were not feeding children, auditors did observe a supper service on July 23, 2020 at Alumni Music's Giving Back feeding site. The meal contained a slice of bologna, one pineapple chunk, a package of crackers, ten cheeseballs, and approximately 2-3 ounces of punch and milk (see photo). The reimbursable rate for supper for the 2020 SFSP program was \$4.15 per supper.

Alumni Music submitted meal reimbursement claims to DHS for June and July 2020. DHS initially reimbursed them \$49,325 for the June claim, but subsequently disallowed \$41,784 and requested repayment based on their independent desk review. DHS denied all of the July 2020 meal reimbursement claim, totaling \$141,403.

Furthermore, auditors noted that Alumni Music personnel had connections to former SFSP sponsors that had previously been terminated from the SFSP program for serious deficiencies. Interestingly, auditors also documented connections between Open Door and Alumni Music, including overlapping feeding sites in the same strip mall or apartment housing which is not allowed according to program guidance.

"Although these problems are concerning, we recognize that DHS has taken several steps to improve its administration, oversight, and monitoring of the Summer Food Service Program," said Comptroller Jason Mumpower. "DHS is taking proactive steps to uncover and remove bad actors from these programs, which are fully supported by taxpayer dollars. I encourage de-

partment leaders to continue strengthening these efforts."

"We appreciate the partnership with the Tennessee Comptroller's Office to ensure this vital nutrition benefit gets to those eligible to receive it and the program is operated within the bounds of all applicable rules and regulations," said DHS Commis-

sioner Clarence H. Carter. To view this State Audit Special Report click here.

## Horoscopes

a while. But responsibilities may keep you indoors anyway. It's important to get out. Take a brisk walk around the neighborhood, run a quick errand, return a book to the library. This should bring some relief, at least for now.  
Libra 9/23-10/22

Sudden psychic insights that seem important could come your way today, Libra, but you could be confused about their meaning. This might bother you today unless you write your thoughts down. Sometimes the process of recording your ideas can bring an insight's meaning to light. If this doesn't help, keep your notes until tomorrow. Things should become clearer then.  
Scorpio 10/23-11/21

You and some friends might spontaneously decide to do something adventurous, Scorpio, such as take a trip out of town. This might be fun. Make sure you go somewhere that one of you knows fairly well or there's a slight danger that you might get lost or hit traffic at the wrong time. Also make sure that others know where you are so no one worries.  
Sagittarius 11/22-12/21

News of an unexpected career break could come your way, Sagittarius. This can be exciting and it should make a big difference in your life. This time definitely calls for some modesty. If you act too proud or thrilled, you might stir some envy among your colleagues, and this could come back to haunt you lat-

er. Save your excitement for your family.

Capricorn 12/22-01/19

Are you taking a long-distance trip by air, Capricorn? Postpone it if you can. It might end up being slow and tedious. If you must travel, be prepared for delays, lost luggage, or bad weather. Travel light, be at the airport early, and take some reading material. If you're planning a trip, don't confirm the arrangements or the same effects might apply when you do travel. Wait a few days.

Aquarius 1/20-2/18

Your subconscious mind is active today, Aquarius. You might have psychic insights and some odd dreams. However convoluted they may be, they're trying to tell you something, possibly about your relationship with a friend or love partner. Make a list of the symbols and then figure out what they mean to you. The symbols in these dreams are probably all very personal.

Pisces 2/19-3/20

This isn't a good day to get together with your romantic partner, Pisces, or even talk on the phone at length. Keep your conversations brief and make arrangements to meet in a few days. Your friend could be in a very agitated state of mind and might take offense at an innocent remark from you. This could cause an unpleasant quarrel. Be patient!

Aries 3/21-4/19

Some technological gadgets that you make copious use of may go out of whack today, Aries. This could prove frustrating for you, but don't vent your frustrations on them. That wouldn't help! Stay calm and call in a professional to fix the problem. Think of the expense as a contribution to your own mental health.

Taurus 4/20-5/20

If you're single, you might meet someone new and exciting today. You might feel this is the perfect partner for you. Be cautious! This wonderful new person may have money problems or be jealous and possessive. Move ahead if it feels right, but move ahead with caution and don't be swept off your feet until you're certain that this person is OK.

Gemini 5/21-6/20

You might have some important work to do at home, Gemini, but unexpected visitors might have other ideas for your day. Don't get angry

or frustrated. Explain what's going on politely but firmly, and make arrangements to meet your friends later. They'll probably understand so there's no need to try to play host when your mind is somewhere else.

Cancer 6/21-7/22

Electronic communication could be difficult today, Cancer. Everything that can go wrong might go wrong - phones, email, copiers. Driving a car could land you in impossible traffic. If you really need to speak to someone, the best thing to do may be to take a walk and go see them in person.

Leo 7/23-8/22

Money problems may seem to be escalating, Leo, and you could be hard-pressed to find a way to deal with them right now. The situation is temporary. Put all paperwork aside for now. If you wait a day until you're feeling a little less stressed, you'll be able to get a better handle on the situation and juggle your budget in order to make it all work.
