## Mother and Son Steal More Than \$83,000 from Meigs County Church

The Tennessee Comptroller's Office, working in conjunction with the Tennessee Bureau of Investigation, and at the request of the District Attorney General of the 9th Judicial District, has completed an investigation resulting in the indictment of Carolyn Mullins and her son, William "Larry" Mul-

lins. Investigators determined the Mullins' stole \$83,710.82 from Peakland Baptist Church in Meigs County. The small church is home to approximately four members. On February 18, 2019, a fire destroyed the church's sanctuary building. Church members decided to rebuild using

\$189,000 in insurance proceeds, but the reconstruction was not completed due to a lack of funds.

Larry and Carolyn Mullins had served the church as treasurer and assistant church treasurer, respectively, and they were the only authorized signatories

on the church bank accounts.

Investigators revealed the Mullins stole most of the \$83,710.82 by making internet transfers and withdrawals from the church bank accounts to their personal accounts. They also wrote church checks for cash to themselves, and they made personal purchases at Walmart for items such as gift cards, cigarettes, cash back, a ring, and clothing.

The Mullins' did transfer \$12,221.31 back to the church; however, a balance of \$71,489.51 is still owed the church.

In July 2021, the Meigs County Grand Jury indicted William Larry Mullins on one count of theft over \$60,000 and Carolyn Mullins on one count of theft over \$60,000.

This is the second Comptroller's Office investigation completed pursuant to Tenn. Code Annotated § 8-4-209,

which was passed by the General Assembly in 2019 and allows the Comptroller's Office to assist district attorneys general and the TBI in the investigation of private funds if the Comptroller deems the investigation to be in the public interest.

"It's a best practice for churches to have someone other than treasurer reconcile the monthly bank statements and review financial activity," said Comptroller Jason Mumpower. "Separating financial responsibilities reduces the risk of errors or fraudulent activity."

Ted Canady, 27, McLeod Road Lurnburg, was charged with DUI, and Driving on Roadways Laned for Traffic. Deputy Harrison LCSO, observed a gold Chevrolet Cavalier traveling on I-75 northbound failing to maintain its lane and cross over into the construction lane and cross over the solid yellow line on multiple occasions. Deputy conducted a traffic stop on the vehicle on I-75 northbound at the 82-mile marker. Once Deputy made contact with the driver, Ted Canady, he exhibited slow speech and movement. Deputy had Canady exit and come back to the front of my vehicle. Canady stated that he had smoked marijuana earlier before getting on the road way and did not own the vehicle and that it was the passengers. Deputy had passenger and the back seat passenger, exit the vehicle and while doing so Deputy noticed a marijuana bong

with residue and an open case of alcohol. Both passengers had a strong odor of an alcoholic beverage emitting from their person. I asked the owner for consent to search the vehicle and he did consent. During a search of the vehicle, Deputy located a marijuana grinder containing a small amount of marijuana and a pipe in the center console of the vehicle. After conducting a search of the vehicle Deputy asked Canady if he would consent to SFSTs, to which he did, and performed poorly. Deputy placed the offender in custody and read him Tennessee Implied Consent and he refused. Deputy Clay Jenkins arrived on scene and transported both passengers to Kings Inn on Highway 321 due to both subjects being too intoxicated to operate the vehicle. Deputy transported the offender to the Loudon County Jail without incident. This did occur in Loudon County, Tennessee.

## Horoscopes

explore them all. You may find the answers you seek through travel or more education. Bring a friend if you're afraid to explore on your own.

Virgo 8/23-9/22

Virgo, expect to meet someone new who will be a tremendous influence in your life - probably in your career. If you've been frustrated by your lack of progress up the corporate ladder, take heart. This new person may be able to show you another way up. In spite of your frustration, you should continue to work in your usual manner. You're on the right path, even though you may doubt it now.

Libra 9/23-10/22

You've been on a wild ride for several months, Libra - all that excitement in your personal life and career! If major changes for the better haven't yet occurred, know that they will. A promotion is in order, most likely accompanied by a raise. Don't act so surprised - you've had this coming for a long time. Celebrate tonight with someone dear to your heart.

Scorpio 10/23-11/21

Foreign lands and new opportunities beckon today, Scorpio! Keep your eyes and ears open as these opportunities may come to you from an unusual or unexpected source. You're ready for a change of some kind in your personal or professional life. It's up to you to take steps in whatever new direction you decide to go. Don't rule out a few classes as a way to further

your career.

Sagittarius 11/22-12/21

The astral energy indicates that you may have extra money in your pocket, Sagittarius. Take care to invest this money wisely rather than spend it all. You will be happier sacrificing short-term gratification for future financial gain. Positive relationships and socializing are indicated this evening. Make a point to get together with close friends and loved ones.

Capricorn 12/22-01/19

This will be an interesting day provided you keep your eyes and ears open to the opportunities that arise. Don't be afraid to take on new challenges. Even if you feel unsure about your abilities, embrace the chance to test them. If others think you're up to the challenge, you should give yourself the same benefit of the doubt! New friends are indicated - make a point to smile.

Aquarius 1/20-2/18

Aquarius, you finally begin to feel like you're making progress. You're intent on completing some projects that have long been in the works. After many hours of concentration and focus, you make the last adjustments and proclaim it finished. You can expect to be rewarded for your efforts. Your skills are extraordinary. You can enjoy a real sense of satisfaction. Celebrate a little!

Pisces 2/19-3/20

This is a passionate, creative day, Pisces. Your blood is hot and passion is on your mind.

With luck, you have a significant other who can benefit! If not, you will have to find another way to burn off that energy. Invite a close friend for a jog. You're in the mood to socialize. If you can't have physical intimacy, be satisfied with emotional closeness.

Aries 3/21-4/19

You may feel a bit short on inspiration today, Aries. Don't be discouraged! Start whatever project is in question, even if your thoughts are elsewhere. During the course of the "bad" work you may churn out at first, your muse gently alights on your shoulder. It sometimes takes a little discipline to lead to delicious rewards!

Taurus 4/20-5/20

Taurus, you may feel like you're running in several directions at once. You're so scattered that you don't feel like you're accomplishing anything important. That's just the nature of the day. You have many loose ends to tie up. It's hard to concentrate on the big picture

when you're out of groceries. Do whatever maintenance needs doing so you can move on to bigger things.

Gemini 5/21-6/20

Today you may be inspired to have a little fun with your looks, Gemini. You may wish to change your haircut or experiment with different colors or styles of clothing. It would be fun to get out of your routine, even if it just means donning funky sunglasses or bright Hawaiian patterns. You will feel lighter and more flirtatious.

Cancer 6/21-7/22

Today's energy has you rethinking all areas of your life, Cancer. If you aren't as challenged by your job as you think you should be, perhaps it's time for a change. The trick for you will be figuring out what it is that you want to do. You have a tremendous amount of creative ability. If you aren't using these talents, why not explore a career that would let you develop them further?
