Mexico.

Authorities allege that on the afternoon of May 29, 2006, Juarez-Corro entered South Shore Park on the banks of Lake Michigan, where hundreds of people were gathered for a Memorial Day picnic, including many families with children. Juarez-Corro approached a friend of his estranged wife's and began a conversation. Juarez-Corro and his wife were reported to be in the final stages of their divorce. The couple share a daughter, who was 3 years old at the time of the shooting.

"They were reportedly going through a difficult time in sharing visitation with their daughter," said Special Agent Steve Whitecotton, who is investigating this case out of the FBI's Milwaukee Field Office.

Shortly after entering the park, Juarez-Corro reportedly pulled out a gun and began firing. Two people were killed. Juarez-Corro's

wife suffered two gunshot wounds in the chest but survived. Two others were also injured, one of them gravely.

"The fact that this individual would be so reckless in an area where families were gathered to celebrate—and in front of his 3-year-old daughter—is just utterly unacceptable," said Whitecotton. "He needs to be held accountable and brought to justice."

Juarez-Corro is now 47 years old. He is believed to weigh between 180 and 200 pounds and has brown eyes and dark hair, which may be graying. He usually wears a mustache and sometimes a beard. He is between 65 and 67 inches tall.

Anyone with information on Juarez-Corro's whereabouts should call 1-800-CALL-FBI, or contact your local FBI office or the nearest American Embassy or Consulate. You can also submit a tip online to [tips.fbi.gov](https://tips.fbi.gov).

Andrew Tamborino, 42, Dundee Road Knoxville, was charged with DUI, Driving on Roadway Laned For Traffic, and Lights Required on Motor Vehicle.

Deputy Chance Gray LCSO, observed a white Chevy Silverado traveling on Highway 44 near Coyatee Drive with a busted tail light emitting a glowing white light from the rear. While behind the vehicle Deputy also observed the vehicle cross the fog line and the center line multiple times. Upon stopping the vehicle Deputy began speaking with the driver Mr. Andrew J Tamborino who stated that the reason he was swerving was due to his headlights being bright.

While speaking with Mr. Tamborino Deputy noticed a very strong odor of an alcoholic beverage emitting from his person. Deputy also noticed Mr. Tamborino to have blood shot watery eyes. Deputy then asked Mr. Tamborino if he had anything to drink tonight to which he stated no. When asked to exit the vehicle Deputy also noticed Mr. Tamborino to be unsteady on his feet.

CPL Zac Frye then per-

formed field sobriety to which he advised Mr. Tamborino performed poorly. While CPL Z Frye was performing field sobriety Deputy noticed Mr. Tamborino was sweating profusely.

Mr. Tamborino was asked once more how many he had to drink to which he stated one. Mr. Tamborino was placed into custody for driving under the influence. CPL Z Frye then read Mr. Tamborino Tennessee implied consent to which he stated that he could not understand even if he was sober. Deputy then deployed K-9 Kora on the vehicle to which she did alert to the open drivers window of the vehicle.

During a search of the vehicle a clear glass pipe with burn marks was located in the center console of the vehicle, also located in the vehicle was a clear plastic container with marijuana residue. CPL Z Frye then transported Mr. Tamborino to the Loudon County Jail. Once at the Jail Mr. Tamborino then stated that he would agree to implied consent, he was then transported to Fort Loudon ER where he gave blood. This did occur in Loudon County Tennessee.

## Horoscopes

you should be prepared to hear all about the frustrations. Your friend needs a sympathetic ear, so listen. Someday you might want someone to do the same for you! Be supportive without agreeing with every complaint. Your friend needs company, not coddling.

Libra 9/23-10/22

A debate over a controversial subject involving politics or social issues could take place today, Libra. You might find the subject fascinating and learn a lot, but you'll be less comfortable when the conversation changes from a discussion to a quarrel. At that point, you may want to walk away. You're too sensitive, so don't worry about being rude.

Scorpio 10/23-11/21

Today you might be required to fumble through a lot of paperwork in order to locate certain information, Scorpio. This might be a drag, and you might not find what you're looking for in spite of it all. Before initiating another search, take a break. Get out in the fresh air and walk a few blocks. When you get back, don't be afraid to ask for help.

Sagittarius 11/22-12/21

Tempers could be on edge in conversations between you and some of your close friends, Sagittarius. Even you, who are usually very laid back and easygoing, might be tempted to snap at people. There's tension in the air and nerves are strained. Control the urge to lash out if someone

says something insulting or otherwise inappropriate. You won't want today's stress to affect tomorrow.

Capricorn 12/22-01/19

Stress and strain could take their toll on you today, Capricorn. Your significant other might be in a foul humor. When the two of you get together, you might want to sit in companionable silence and not say much. Your beloved has had a rough day and is irritated at words and gestures that would be endearing at other times. You may feel a little tense, too. Single? Stay in and indulge in your favorite comforts.

Aquarius 1/20-2/18

Today you could spend a lot of time running errands. There might be delays due to circumstances beyond your control. You could experience that old mounting frustration. There's no use fighting the invisible foe. Accept the fact that you may not be able to accomplish everything you'd set out to do. Treat yourself to a quiet evening.

Pisces 2/19-3/20

A lot of energy might be expended on an artistic project that you probably won't like, Pisces. You could get halfway through and then toss it away. This could be disheartening as you could lament the time and effort lost. But this happens to all great artists. Go ahead and start over. Maybe this time you'll accomplish what you want. Don't settle for mediocre. Go for the gold.

Aries 3/21-4/19

Family members might discuss a possible vacation today, Aries, but everyone

wants to go to a different place! Arguments could occur, taking all the fun out of the discussion. Perhaps you should draw straws! A better solution might be to make a list of all the ideas, give copies to everyone, and think about it. Discuss the subject again in a few days.

Taurus 4/20-5/20

Today it may appear that a lot of people are arguing over very strange things, Taurus. Usually you can see both sides of a disagreement, but today you might wonder if there's any side to what you're hearing. Everyone's making mountains out of molehills. Distance yourself and don't try to mediate. You could upset everyone with your laughing!

Gemini 5/21-6/20

Tempers could be short in a group with which you're affiliated, Gemini. What started as a meeting could end with disagreements. You might be tempted to chastise everyone, but that isn't a good idea. You won't stop the battle, and everyone in-

involved will resent whatever you do. The best solution is to leave. The group probably won't accomplish anything positive anyway.

Cancer 6/21-7/22

Today's energy might be especially draining for you, Cancer. Your tasks could require more effort than usual, and you could be exhausted by midday. This isn't the day to prove anything. Work according to your own strengths at your own speed. You'll probably accomplish more this way than by pushing yourself. Take care and you'll still have energy for a great evening.

Leo 7/23-8/22

Old emotions could well up from your unconscious today, Leo. Your nerves could be on edge. You might even lose your temper on occasion. Stop and take a look at why you're upset. Consider what's coming up from the past and then release it. You'll be amazed at how quickly you return to normal. You might be able to get some work done!
