## Martin Public Works Official Made Personal Purchases with Department Credit Card

The Assistant Director of the City of Martin's Public Works Department has been indicted for theft after Tennessee Comptroller investigators determined he used the department's credit card to make personal purchases totaling \$5,465.26.

Assistant Director John Worrell made

the purchases between March 2017 and November 2019. The purchases included a variety of items from Amazon including a curling iron, home upgrade and renovation items, children's toys, and clothing. Worrell also used the department credit card to pay his monthly Verizon Wireless cellphone

bill and purchase various cellphone equipment and electronic devices.

The investigation began after Martin officials reported improper use of a credit card to the Comptroller's Office. The City of Martin also performed its own internal review and identified \$3,657.61 in unautho-

## Rude Dude

Officer R. Miller LCPD, responded to Kelly Lane (McGhee Square) in reference to a suspicious white male subject who was going around beating on doors in the apartment complex. The male was reportedly wearing a gray tank top with jean shorts and was in the area of the building 12. On scene we were able to quickly locate the male subject in question directly behind the office building located in the middle of the apartment complex. The male subject identified as Kelly Dick of Lenoir City, TN. Upon initial contact with Dick he appeared

under the influence of some sort of narcotic. Dick had uncontrollable body movements, flailing his arms and constantly moving his legs. Also Officer noticed that Dick's eyes were also rolling into the back of his head, he was having hallucinations, and sweating profusely. Dick was transported to Fort Loudon Medical Center for medical treatment. While at the hospital, Dick stated that he had taken MDMA (Ecstasy). Based off Officer training and experience, Officer believe Dick had taken methamphetamines. Dick posed a danger to himself and the public.

Jerrika Wheeler, 29, Matlock Bend Road Loudon, was charged with Public Intoxication.

Officer Harrison LPD, was dispatched to the area of Ferry Street and Park Street by the 911 Center, in reference to a female knocking on neighbors doors threatening to kill their dogs. Upon making contact, the female was eventually identified as Jerrika Wheeler. Wheeler was extremely irrational, had a strong odor of an alcoholic beverage emitting from her breath and person. She had difficulty maintaining balance, had slurred speech and blood shot eyes. Prior to contact she had just left an off-duty Loudon County Deputy's home and through the course of their conversation she implied she would

shoot a police officer with an AK. She had been going door to door threatening to shoot people's dogs and was looking for a German Shepherd that was a problem on the street. Wheeler was placed into custody and transported to the Loudon County jail for processing. On the way to the jail Wheeler was verbally combative and continued to scream and yell. At the jail, Wheeler continued to scream obscenities, failed to cooperate with Deputies and became increasingly combative. This did occur in the City of Loudon on this date.

rized purchases made by Worrell. Worrell repaid this amount to the city; however, \$1,807.65 remains outstanding.

Comptroller investigators have also questioned an additional \$3,951.61 in public works credit card purchases. These purchases were not adequately documented, and investigators could not conclusively determine who made the purchases, or if they were exclusively for the benefit of the department.

In September 2021, the Weakley County Grand Jury indicted John Randolph Worrell on one count of theft over \$2,500, one count of fraudulent use of a credit card, and one count of official misconduct.

"We frequently see fraudulent activity associated with credit cards," said Comptroller Jason Mumpower. "The City of Martin should have taken more steps to review credit card purchases including establishing a formal approval process, confirming that all items were received, and having someone outside the public works department review

and reconcile credit card statements."

### New Dashboard Will Assist Counties with Redistricting

The Tennessee Comptroller's Office has produced a new online dashboard that gives county government officials and citizens a better understanding of how county commission districts must change in response to the 2020 U.S. Census.

The dashboard uses GIS technology to display population information for each of the state's 849 county commission districts. The dashboard includes total population, ideal population, and deviation information for every district in all 95 counties.

The Tennessee Comptroller's Office continues to provide information and assistance to county governments as they work to complete the 2021 redistricting process. Redistricting helps ensure legislative bodies are meeting the one person, one vote principle of representative government after the completion of a new census.

Counties will work with either the Comptroller's Office, the County Technical Assistance

Service (CTAS), or utilize expertise within their own county government to complete the redistricting process.

Redistricting plans for all 95 counties must be adopted by January 1, 2022.

To view the new online dashboard, visit: [tncot.cc/redistrictingdash](https://tncot.cc/redistrictingdash)

For more information about the local redistricting process in Tennessee, visit: [tncot.cc/redistricting](https://tncot.cc/redistricting)

## Legion

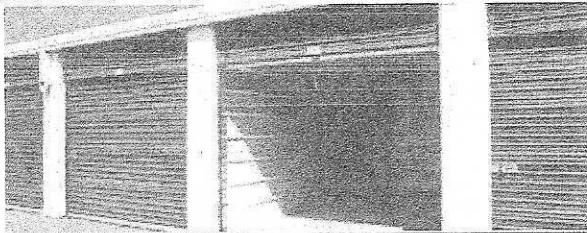

This donation of funds was a gift by American Legion Post 256 members to honor the passing of Roger McKnight of Tellico Village. In 2003, McKnight and 65 other veterans chartered Tellico Lake Post 256 of the American Legion. Those 65 veterans came from Tellico Village, Vonore, Greenback, Kahite, Rarity Bay and other parts of the surrounding community. Roger McKnight was a WWII veteran, a volunteer firefighter/first responder and a pillar of the community. It was because of his dedication to service and community that the members of Post 256 wanted to further his memory with this donation to Our PLACE.

Accepting the donation for Our PLACE was Cynthia Rogers spouse of deceased Jim Rogers, a member of Post 256. Our PLACE will be a

licensed, non-profit, non-sectarian adult day center serving residents of Loudon and Monroe Counties who have been diagnosed with mild to moderate Alzheimer's or other forms of dementia. The new building is located opposite Food Lion at the intersection of SR 444 and SR 72 in Loudon. Besides allowing home caregivers some free time each day, participants will be offered a different program of activities suited to their abilities. These activities are designed to promote socialization and stimulation and may include music, exercise, crafts, games, pet therapy, reminiscence therapy and more. To learn more about Our PLACE go to [www.our-placeln.org](http://www.our-placeln.org). For additional information about the American Legion visit the Post 256 website: [www.tellicolakepost256.org](http://www.tellicolakepost256.org).

energy working in your favor today and asking you to take charge and lead the fight toward a better reality. Get out of bed early and get moving.

**Libra 9/23-10/22**

A debate over a controversial subject involving politics or social issues could take place today, Libra. You might find the subject fascinating and learn a lot, but you'll be less comfortable when the conversation changes from a discussion to a quarrel. At that point, you may want to walk away. You're too sensitive, so don't worry about being rude.

**Scorpio 10/23-11/21**

Get ready for action, Scorpio, because today could be a fast-paced adventure sure to keep you on your toes. Your desire to fight and conquer is probably much stronger than usual, and communication with others is the very thing that will fuel this fire. Your action-oriented instinct is likely to be bold, so use caution in all situations. Pace yourself and avoid confrontation!

**Sagittarius 11/22-12/21**

It may seem like people are trying to pick fights with you today, Sagittarius. Any opposition you encounter may have a loud roar, but in reality, there's very little bite to fear. Keep in mind that arguments may be unsubstantiated. Don't work yourself into frenzy over an issue that has no solid foundation to back it up. Don't be intimi-

dated by fast talkers.

**Capricorn 12/22-01/19**

Kick up your heels and get moving, Capricorn. The fast-paced energy of the day is just what you need to get things done. You're ready to take action. You have power and strength behind you, so feel free to expand and explore this desire to conquer. New adventures are on the horizon now and you have a great opportunity to take advantage of situations that resonate with your true self.

**Aquarius 1/20-2/18**

It may seem like everyone else has a purpose and project except you, Aquarius. While everyone is charging out of the gate, you may still be unsure that this is the race you want to run. Don't push yourself into something you don't want to do. The energy of the day is fast and adventurous, but if you aren't feeling up for a fight, don't force it.

**Pisces 2/19-3/20**

This is a great day for you, Pisces. You'll find that long-term trends are coming together harmoniously. Connections are being made when you share good times and laughter with close friends and other people. Stick with the things that feel right. You have love and bravery to share with the world, so don't be afraid to go out and conquer. Take action and be strong.

**Aries 3/21-4/19**

Don't let others push you around today, Aries. People

may talk themselves up, but there's little behind the words. Be careful that you don't misfire. This is a day to care about you and your needs. Take steps toward making sure you're getting what you want. Connect with people you've met recently. There's significance in these serendipitous meetings.

**Taurus 4/20-5/20**

Stay positive and radiant today, Taurus. This is a great day for you to take control. Connect with others on group projects and feel free to offer creative input. Let the artist within take the spotlight, and cultivate this talent in any way you can. Take the time to engage in long conversations with people regarding recent events. You have a great deal to share.

**Gemini 5/21-6/20**

People may be tired of your harsh attitude, Gemini. This doesn't mean you should necessarily change your ways or who you are. Just be more aware of how your words affect others. Be prepared to take the heat

when people defend themselves. Don't kick people around and expect them to never kick back. There's a frenzy of warlike energy in store for you today.

**Cancer 6/21-7/22**

You may feel the need to act aggressively regarding this climactic period in your life, thanks to long-term trends. There's expansive energy today encouraging you to take action, Cancer. There may be opposition, but keep in mind that you have a great deal of strength on your side. The warrior inside you is ready to fight, and you have a fire burning within.

**Leo 7/23-8/22**

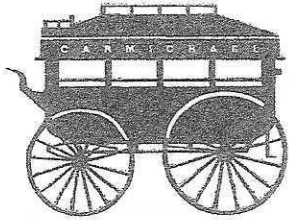

Try not to be harsh and judgmental today, Leo. You don't understand others' perspectives and the codes they live by. Differences are no reason to find fault with people. You have a powerful personality that's perceptive and creative. Use these gifts in a positive, healthy manner instead of using them to get down on others and their behavior.
