Robert Walker, 47, Russell Hollow Road Maryville, was charged with Aggravated Assault x2, and Possession of a Firearm.

Deputy S. Mills LCSO, responded to a report of a possible shooting at Niles Ferry Road. Upon arrival, the alleged offender, who was identified as Mr. Robert Walker, had already fled the scene. Deputy then spoke with the victims. They informed Deputy that at around 3:00 PM today Robert came over and was heavily intoxicated. He was mean to a dog. Victims informed Deputy that he bit the dog and stated "I'm the alpha dog." He then was forced out of the residence by victim 1.

Victim 1 then informed Deputy that he had come back approximately an hour later and was asking if he left his dog there. Victim 1 told Robert that he took his dog with him. Victim 1 said he was acting very intoxicated and even admitted that he was drinking. Both victims informed Deputy that Robert behavior had been abnormal all day.

Robert showed up one more additional time and this time victims heard him cussing outside the residence within his vehicle. Victim 2 informed Deputy that the altercation became physical and Robert produced a dark-colored semi-automatic

handgun. Victim 2 said that Robert did point the handgun directly at him and he looked down the barrel of the firearm. He said that Robert stated "fuck you" and fired the firearm. He said that he was on the passenger side of the vehicle when Robert fired the handgun directly at him. Victim 2 also stated that he was scared for his life and "scared to death." Victim 1 also stated that he was scared for his life. Victim 2 said that he was scared for victim 1 life as well. After Robert fired the firearm he left the residence and drove away.

A check through the TN Criminal Justice Portal provided a possible address of Russell Hollow Road in Blount County. Deputy then arrived at that residence and took Mr. Walker into custody without incident. He had bloodshot, red, and watery eyes as well as having the odor of an alcoholic beverage emitting from his person. He informed Deputy that he had wrecked his car on the way back to his house because he took a curve too fast. He informed Deputy that he left his vehicle there and the best location he could give was that it was a couple of roads over. While arresting Mr. Walker Deputy did observe a box of .22 ammo laying in plain view within a shed at his residence. All of the above occurred in Loudon County, Tennessee.

Scorpio 10/23–11/21

It seems as though you're trying to live down some criticism, Scorpio. For weeks you've taken special care to look over your work to catch any mistakes. and open up new, more fulfilling opportunities.

Aquarius 1/20–2/18

You're often preoccupied by other people's lives. Your devotion to others will be appreciated today, Aquarius. As you're aware, you need all the strength you can muster.

Pisces 2/19–3/20

You may have some trouble getting out of bed today due to a desire to let the world carry on without your help for a while. Pisces, you can yield to that lazy urge today, for the aspects are likely to assist you in fulfilling your goals. Take advantage of some time off to rest or perhaps tidy your nest. You might want to make that bed, too.

Aries 3/21–4/19

The day ahead should be excellent, Aries. You tend to work with an energy unparalleled by the other signs, and today you reap some rewards for your diligence. These days it's rare to find someone as conscientious as you, and you deserve recognition. Nevertheless, you still have many hills left to climb, as you well know!

Taurus 4/20–5/20

You've been lucky for the last two months, there's no doubt about it. Lately it seems like your luck is changing. It's hard to pinpoint, but something isn't quite right in your daily life. At

the moment, the planets are imparting some lessons that could be difficult to bear, Taurus. Get through this transition with as little pain as possible. The lessons you learn will prove worthwhile.

Gemini 5/21–6/20

This is going to be a good time to get a global view of things, Gemini. Take full advantage of the current planetary aspects by reading some books on spirituality or travel. If you desire to go on a long voyage, don't be surprised if your job sends you on an adventure, even if it isn't part of your job routine. Don't hesitate! Go breathe in some fresh air in a new place!

Cancer 6/21–7/22

It's true that having to earn a living isn't always the most agreeable thing in life, Cancer. However, we all know that it's necessary. Have you thought about adding more balance to your life? All work and no play makes anyone a dull person. This would be a good day to examine your daily life and add

some new elements. Yes, Cancer, it's time for you to choose a hobby.

Leo 7/23–8/22

If you've had some problems in your sentimental life during the last few months, Leo, they're probably behind you now. It's a sure bet that you've learned something. You've been served the same dish for years and now it seems you've finally had enough! Know that from now on you'll be better about not falling into the same old traps.

Virgo 8/23–9/22

If you aren't the most self-assured person in the world, Virgo, take a look around and see all that you've done. True, you still have many unattained dreams, but look at how many you've already realized. A lack of confidence in your abilities is holding you back. There's a moment for everyone when a leap of faith is required. It's time for you to jump.
