Fred Turley, 29, Wolf Hollow Lane Jacksboro, was charged with Theft of Property, Mfg/Del/Sale or Poss. Of Meth, and Poss. Of Drug Para.

Officer H. Wilkes LCPD, was dispatched to Walmart in reference to two males shoplifting. Inv. Yates was speaking to AP staff on the phone regarding the two males, who had deprived Walmart of their merchandise on Friday, 10/14/2022. Officer H. Wilkes made contact with the two individuals, identified as Todd Brown and Fred

Turley, as they were leaving the business. The two males were held in the AP Office and Inv. Yates came and mirandized the males, and they agreed to speak with officers.

While speaking with Todd Brown, he advised he had methamphetamine in his shorts pocket. During the investigation, it was found that Fred Turley has been previously trespassed from all Walmart stores. AP Staff trespassed Todd Brown from all Walmart businesses while officers were on scene. While officers were on scene, it was found that Fred Turley's vehicle, a 2014 white Nissan Versa bearing Tennessee regis-

Officers asked the female, if she would be willing to open the trunk to see if there was any merchandise, and she agreed. While trying to open the trunk, female was unable to locate the button and asked officers to open the trunk. While Officer A. Lee was attempting to open the trunk, he noticed

digital scales and containers commonly associated with transporting narcotics. When Officer A. Lee asked female about the digital scales, she advised him that there was probably more methamphetamine in the center console. Officers searched the vehicle, and found multiple glass pipes and approximately 7.2 grams of methamphetamine located in Fred Turley's backpack.

## Horoscopes

start making sense to you, Scorpio. Or you could finally reach a point where you can make it work for you in a practical way. Your thinking now is especially clear, focused, down to Earth, and efficient, so whatever you try or start today is likely to lead to success. Don't let occasional self-doubt stop you.

**Sagittarius**  
11/22-12/21

Past impressions that you may not even know you have could enhance your ability to deal with practical matters today, Sagittarius. You might need to handle some paperwork regarding a settlement of some kind. The thoughts and feelings of those closest to you are more apparent than usual. You may tailor your behavior toward them accordingly. Spend a quiet evening with your loved ones. You won't even need to talk.

**Capricorn** 12/22-01/19

Small social events and group activities are on the agenda today if at all possible, Capricorn. You may be introduced to someone who could prove helpful to your career. A letter containing good news could come from a friend or partner. Any new moneymaking enterprise begun now is likely to succeed as long as you stay with it and continue to face it in a businesslike manner.

**Aquarius** 1/20-2/18

Glowing health and an enthusiastic attitude make almost anything a pleasure today, Aquarius. Relations with friends and family are warm, congenial, and cooperative. Your day should go as smoothly as you could expect.

There is something you want to do in the afternoon that you're looking forward to. In the evening, consider attending an online class, lecture, or workshop. Your mind is especially sharp right now.

**Pisces** 2/19-3/20

Information that comes your way today could launch you into a search for truth, Pisces. Perhaps this is a new business-related idea that you want to explore. It could be a new philosophical interest, and you will want to learn as much as you can about it. Whichever it is, your mind is sharp, so you're likely to finish the day a lot more knowledgeable than you were when it began.

**Aries** 3/21-4/19

Although you're usually very responsible and you try to keep the proper balance between your home and professional lives, today your mind and heart are more focused on your home, Aries. A warm sense of unity with family and close friends could make for a very pleasant day and an even more pleasant evening. Even finishing up paperwork will seem easier than usual. Relax and enjoy a great evening.

**Taurus** 4/20-5/20

Having a sense of community unites the people around you in aiming for a common goal, and this could be a new interest for you, Taurus. Warm and loving emails and calls could come from family, close friends, or your life partner. An impromptu short trip to a favorite place could result in a pleasant surprise. This promises to be a busy day and a great one.

**Gemini** 5/21-6/20

You may have been expecting

some money over the past several days, and today it could finally arrive. Delays in reaching your goals are finished for the moment. If you have a project you've been trying to complete, Gemini, this is the day to do it, especially if it involves paperwork. This isn't the day to compete with anyone, however. Your sense of cooperation is too strong.

**Cancer** 6/21-7/22

You're feeling especially sharp, Cancer. Your thoughts are more focused than usual and your mind especially penetrating. A promised get-together with friends or loved ones may have to be delayed, but it will take place. Information about possible business opportunities could come through periodicals, and if you like them, check them out. The outlook on anything that comes your way today is especially bright.

**Leo** 7/23-8/22

Practical thoughts may be the result of unconscious impulses brought to the surface by events at home. Old traumas and phobias could be released, although you should take care to not dwell on them too much or

you'll reinforce them instead of getting rid of them. Your imagination is flying high. You might focus it on decorating your house. You could find antiques especially appealing.

**Virgo** 8/23-9/22

Gatherings in your neighborhood could bring new and interesting information your way, Virgo. A message from an acquaintance could send you down a new path toward a new goal. Relations with everyone around you - from your romantic partner to the most casual of acquaintances - should be warm and congenial. Conversations should be stimulating.

**Libra** 9/23-10/22

Success in a project you've been working on could mean you want to go out and celebrate. You might feel guilty about doing it, but go ahead, Libra. Order a glass of wine and dessert! Tonight is the night to forget work and go for sheer, unadulterated pleasure. You have the break coming. Your efforts are finally being recognized, and you're on your way. Enjoy your good fortune!
