More Than 40 Arrested in Operations Targeting Violent Gangs in Arkansas

Three investigations focused on groups behind violence and drug trafficking in the region

The FBI, along with federal, state, and local partners, arrested 45 people for drug and firearm crimes in Pine Bluff and Little Rock, Arkansas.

Two FBI-led operations focused on rival gangs, with the goal of addressing violence and drug trafficking in

the corridor between Pine Bluff and Little Rock. One case focused on the EBK or Every Body Killas gang and resulted in the indictment of 35 defendants. The second focused on the Loady Murder Mobb gang and resulted in the indictment of 26 defendants.

The final operation, led by the Drug Enforcement Agency, was centered on sources supplying drugs

through the mail that were then being sold to individuals in Arkansas and Texas. A total of 18 defendants were charged in that case, while another individual was charged in a separate indictment.

Revoked

Amanda English, 31, Hill Loop Road Madisonville, was charged with DUI, Simple Possession, and Driving on Revoked/Suspended License.

Deputy Stanley LCSO, responded to a MVA on East Coast Tellico Pkwy near Riden Road. Upon arrival, Deputy made contact with a male subject on the side of the road. He advised that his wife (Amanda English) had wrecked her vehicle off to the side of the road into the woods. Complainant

advised that she was possibly intoxicated. Deputy then made contact with Amanda, who was laying in the grass. During Deputy initial observations, he did not observe any injuries externally on Amanda. At that time Deputy requested the response of Greenback Fire and EMS to the scene to assess Amanda for any possible injuries sustained in the accident. Deputy asked Amanda if she was intoxicated, in which she said she was. Deputy then asked her if she had any beer or liquor prior, in which she said liquor. Deputy observed

Amanda's eyes to be blood-shot and she was very unsteady on her feet.

Complainant was able to assist her to his vehicle so she could sit down. Amanda then proceeded to fall asleep in the back seat of his vehicle. At that time Greenback Fire and EMS personnel arrived on scene to evaluate Amanda and see if she had any injuries. After Amanda was cleared by medical personnel. Deputy asked her if she would perform a series of

standardized field sobriety tests. Amanda refused to perform the tests and also said that she did not have anything to drink prior to driving. Amanda was still showing signs of intoxication on scene by slurred speech, and failing to maintain balance on her own.

Due to the totality of circumstances, Deputy determined Amanda English to be under the influence prior to operating a motor vehicle.

forcement agents prepare for early morning operation in Arkansas

FBI and other law enforcement agents prepare for morning operation in Arkansas

FBI agents prepare for an early morning operation in Little Rock, Arkansas, focused on gang members believed to be responsible for violence and drug trafficking in the region.

“Today’s operation and arrests are the culmination of a multi-year, multi-agency investigation targeting violent organizations which preyed upon Arkansas communities,” said FBI Little Rock Special Agent in Charge James Dawson. “For the past two years, FBI employees and Arkansas law enforcement partners worked relentlessly to investigate and combat the violence plaguing our state. Today, those efforts have brought much-needed relief to besieged neighborhoods across central Arkansas.”

Of the 80 defendants indicted in the three investigations, eight of those were already in custody when the operation began.

FBI and other law enforcement agents began early in the morning by searching for remaining 72 suspects; they successfully arrested 45. In addition to these arrests, authorities seized four firearms, small amounts of drugs, and \$30,000 in cash.

“We are grateful to the numerous agencies who assisted with this operation, especially the police departments who have investigators assigned to our task force,” said Dawson. “We also thank the dedicat-

ed prosecutors at the U.S. Attorney’s Office who continue to ensure violent criminals in Arkansas are held responsible for their illegal actions.”

These efforts are part of several Organized Crime Drug Enforcement Task Forces (OCDETF) operations. These operations seek to identify, disrupt, and dismantle the highest-level criminal organizations that threaten the United States using a prosecutor-led, intelligence-driven, multi-agency approach.

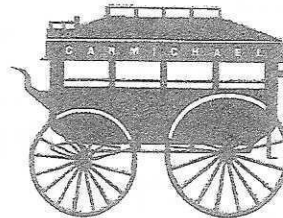

Revoked ctd. from pg. 4

Deputy placed her into custody on the Charge of Driving Under the Influence. Deputy asked Amanda if she would consent to a voluntary blood draw, in which she did give consent. Deputy was also informed by Loudon County Dispatch that Amanda’s driving status was Revoked for DUI. Deputy also Charged her with Driving on Revoked. Deputy placed Amanda in the back seat of his patrol vehicle, and could smell the odor of alcohol coming from her breath while talking to her.

Before conducting an inventory search of the vehicle Amanda had wrecked (White Nissan Altima 079BJGR), Deputy smelled an odor of Marijuana Emitting from the vehicle. A burnt cigarette containing a green leafy substance was found in an ash tray cup in the cupholder. After the finding Deputy had charged Amanda with Simple Possession.

Deputy transported Amanda English to Fort Loudoun Medical Center for the blood draw, and then The Loudon County Jail without incident. All occurred in Loudon County

Horoscopes

zeal. Or you may derive great satisfaction from being part of a group. The nagging chores of daily life will be forgotten for today at least. The outlook is nothing but positive!

Sagittarius

11/22-12/21

Perhaps you should suspend your inhibitions for the day, Sagittarius, and let your dreams guide you. For instance, you might imagine that the need to make any choices has vanished. Or you might grant yourself a vacation from daily chores. It would certainly be a relief. Who knows? You might conjure up some reality from the stuff of your dreams.

Capricorn 12/22-01/19

This is the type of day you enjoy. The climate is positive, and the energy is flowing. It's as though you have a magic wand. You give it a wave and - presto - the day's tasks and chores are done! By this evening, you've scarcely tapped your energy levels. Your family will be very happy to spend some quality time with you.

Aquarius 1/20-2/18

If the world collapsed today, you wouldn't bat an eyelash. You're perfectly content sailing along on cloud nine! The source of your bliss could be that new person in your life. Are you passionately, intensely, wonderfully in love? You can yield to the magic. Let it bring out the positive parts of your

personality but keep your wits about you all the same!

Pisces 2/19-3/20

You may have had some emotional disappointments lately, but today will restore your faith in love. All you need to do is act. Your amazing lucidity and realism keep you from hoping for the impossible. You'd rather go to work to attain your goals than dilly-dally with illusions. Indeed, you're more likely to get results from yourself than from other people.

Aries 3/21-4/19

Put on your traveling shoes, Aries. Fear of the unknown may have prompted you to postpone certain trips. You claimed you were too busy, but no one really believed this, not even you. If an opportunity to travel presents itself today, don't pass it up. It's silly to avoid life.

Taurus 4/20-5/20

Something is currently compelling you to be more of a world citizen than usual, Taurus. You may find this somewhat disturbing. You feel as though the roots of your identity, such as your family background and social standing, are dissolving little by little. Comfort yourself with the knowledge that your family is simply changing and expanding. It will stabilize again on another, higher plane.

Gemini 5/21-6/20

Your surroundings are currently changing, Gemini. Perhaps your circle of friends has already undergone a major change. The fact is that you no

longer have so many prejudices about the people you meet, and no longer seek only a certain type of person as a friend. You accept whoever comes along. You may not realize it, but your attitude is completely different now than it once was. Good for you!

Cancer 6/21-7/22

Cancer, you're demystifying the concept of talent. You used to look enviously at other people and think, "I wish I had a natural ability like that." Now you understand that the person who aroused your envy with is just someone who had the self-confidence to go to work and refine and develop an aptitude. It's a matter of hard work, belief in oneself, and bravery in the face of risk. You can do it, too!

Leo 7/23-8/22

Are you thinking of going into business for yourself, Leo? Being self-employed doesn't automatically mean you will have more freedom. Of course, you will be your own boss, but you will also bear all the responsibility for the success or failure of your enterprise. If you quit, the whole thing will collapse. Think about it. Base your decision on reality and not fantasy.

Virgo 8/23-9/22

Within the next few days, you're likely to gain access to dimensions of perception you never suspected, Virgo. Perhaps you will become aware of certain energy phenomena, peak experiences, or other highly sensitive states of consciousness. Don't be frightened. Instead, investigate what these worlds have to offer. What you learn will help you cope with your sensitivity.

Libra 9/23-10/22

Often fiery temperaments like yours are drawn to fight for great causes despite the better judgment of more down-to-Earth people. As a result, you have great leadership potential that may emerge today. Your courage, enthusiasm, and vigor will be contagious when you climb onto your soapbox.
