## Walgreen Co. Pays \$7 Million To Settle Allegations Under The False Claims Act

Walgreen Co. (Walgreens) has paid \$7 million to the United States and the State of Tennessee to resolve allegations that it violated the False Claims Act by submitting claims to TennCare—the Medicaid program for the State of Tennessee—and knowingly retaining overpayments for specialty Hepatitis C medications dis-

pensed to TennCare enrollees who did not meet TennCare's clinical criteria for coverage and payment.

Walgreens operates retail pharmacies throughout Tennessee. TennCare pays prescription drug benefits for a variety of covered prescription drugs, including drugs prescribed for enrollees with Hepatitis C. Prior to 2019, TennCare re-

quired prior authorization based on clinical eligibility criteria related to disease severity and substance use before approving coverage for certain Hepatitis C direct-acting antiviral (DAA) medications. The False Claims Act prohibits a pharmacy from knowingly submitting claims for payment

Yoshawn Rollins, 33, Lake Drive Loudon, was charged with Child Abuse or Neglect/Endangerment.

Officer Mike Williams LCSO, was notified by Loudon Elementary School Teachers of a 3rd grade student who had injuries to his back which could possibly have been caused from being abused at home. The student was complaining of his back being sore and hurting and showed teacher his injuries. She brought him to the clinic where school nurse examined him. Once brought to Deputy attention, he went and examined said injuries himself and discovered that he had two large stripes, red and bluish in color, on his shoulder which extended to the center of his back. Said stripes were consistent with that of a belt injury. Victim also had darker bruising on his lower back just above his buttocks. When Deputy asked what had happened he said that his dad had hit him

with a belt because he had gotten bad marks at school. Victim stated that his dad (Yoshawn Rollins) says that for every bad mark he gets on his school's behavior chart, then he will get the same amount of hits with a belt. Deputy immediately notified LCSO Detective Capt. Charlie Cosner who advised to do a DCS referral and to keep the victim at school until Investigator Marty Branam responded.

No further questions were asked by this officer. Investigator Branam arrived and the investigation was turned over to him. DCS also responded and along with Investigator Branam went to victims residence to talk with the father. Victim was released to family member upon consent of Investigator Branam, DCS and victim father Yoshawn. DCS intake referral # 1425581164 injuries recorded on AXON Body cam

**Sex Offender**

Roy Baker, 58, Highland Ave Lenoir City, was charged with Violation of Sex Offender Registry, Driving on Suspended License, Unregistered Vehicle, and Financial Responsibility.

Deputy W. Jenkins LCSO, observed Roy Baker, offender, driving a grey 2005 GMC Envoy on Hwy 11 in Philadelphia. Deputy observed the offender pull into the Dollar General on Christain Street and park. Deputy pulled up next to the vehicle and began a consensual conversation with the offender. Deputy asked the offender if I could see his driver's license and he obliged. Dispatch advised me that the offender's license is suspended. Deputy then placed the offender in custody in his patrol car. The offender could not provide

Deputy with proper registration or proof of financial responsibility. When Deputy ran the VIN through dispatch it did not come back to the offender. The offender advised Deputy that he has had the car "for about a week" and handed him documentation showing he bought the car on 1/18/23. Due to Deputy previous knowledge of the offender being a violent sexual offender on the sex offender registry, and the vehicle not being registered; Deputy contacted James Webb who is the offender's probation officer. Mr. Webb advised Deputy that the offender has not reported this vehicle as is required by the offender's supervision requirements. Upon a search of the vehicle, that violent sexual offender consented to, Deputy found what appeared to be a child's

sized Halloween costume in the rear cargo area. The offender advised Deputy that a friend gave him the costume. James towing responded to the scene and towed both the vehicle and the trailer the vehicle was towing. Deputy placed a hold for proof of ownership on both. This did happen in Loudon County Tn.

Alvaro Zavala, 28, Spring Street Philadelphia, was charged with, Evading Arrest, Resisting Arrest, Reckless Endangerment, Speeding, Due Care, No Driver License, Traffic Control, Improper Passing, Display of Registration Plate, and Poss. of Drug Para.

Deputy J. Sartin LCSO, observed a gray Honda Civic fail to stop at the stop sign at Christian Street and Lee Highway. Deputy attempted to get behind the vehicle on Lee Highway after a few cars had passed. As Deputy got up to Sweetwater Valley Farm, he noticed the vehicle behind another vehicle as it was topping a hill. As Deputy topped the hill, he observed the Honda now in front of the vehicle it was behind and accelerating at a high speed. Deputy initiated his blue lights and siren and the vehicle continued to accelerate. Deputy observed

the Honda pass several cars while on Lee Highway then turn on to Highway 72 towards Steekee Road. The light at 72 and Steekee was red and the Honda Failed to stop at it. The Honda got down to Highway 72 and ran through the yard, fence then around the house. Deputy observed a Hispanic male jump out of the vehicle and run on foot around the residence. Deputy, along with deputy L. Hawkins were able to get the male in custody after he attempted to hide under a vehicle.

After checking the registration on the vehicle, it was discovered it was the wrong tag which came back to a Toyota. Cpl. Chance Gray has his K-9 check the vehicle and had an alert. During the search, a marijuana smoking pipe was found.

The driver, Mr. Alvaro Zavala did not have a driver's license as well. This did occur in Loudon County, TN.

for medications dispensed to patients who do not meet Medicaid coverage and payment requirements, and from knowingly retaining payments that were improperly made in violation of such requirements.

In a complaint filed with the United States District Court in May 2021, the United States and the State of Tennessee alleged that, from October 2014 through December 2016, a former pharmacist and store manager at Walgreens' specialty pharmacy in Kingsport, Tennessee falsified prior authorization requests and supporting clinical records for 65 TennCare enrollees who failed to meet TennCare prior authorization requirements for the DAAs. The complaint further alleged that Walgreens improperly billed TennCare for DAAs dispensed to the TennCare enrollees based on the falsified requests, and that Walgreens knowingly retained the resulting overpayments after the misconduct of its former store

manager came to light.

As part of the settlement, the parties filed a joint stipulation of dismissal with the United States District Court, dismissing the complaint.

U.S. Attorney Francis M. Hamilton III of the Eastern District of Tennessee made the announcement.

Assistant U.S. Attorneys Robert C. McConkey, III and Joseph C. Rodriguez represented the United States. Assistant Attorneys General David Rudolph and Tony Hullender represented the State of Tennessee.

Members of the public are reminded that the claims settled by this agreement are allegations only; there has been no determination of liability, and Walgreens does not admit liability for the allegations.

## Horoscopes

a friend. This goes against your grain. Be sure and assess the situation carefully before getting too involved. Friend or not, you aren't going to want to alienate anyone in the group. Think about it. Is it worth it?

**Pisces 2/19-3/20**

Changes you're making at home might necessitate your planning extra time, Pisces. Perhaps you're waiting for a guest whose plane got delayed, or your shopping trip takes much longer because you can't find what you're looking for. Whatever it is, don't panic. Just try to stay rational and think about other options or alternatives.

**Aries 3/21-4/19**

Are you involved in a search through every store for a particular item, Aries? You might be looking for a long time. The object you need won't be found at the local mall. Secondhand shops, obscure boutiques, antique stores outside town - all of these are more likely to have what you want than any shop you'd normally frequent. Be brave and take a chance. You might really enjoy it.

**Taurus 4/20-5/20**

If you've given up on something you've lost, Taurus, you might get a real surprise tonight when a dream sheds light on where you might find it. It's important that you either get up and search for the

object immediately or write the dream down in as much detail as you can remember. Otherwise, this could be one of those dreams that disappears as soon as you wake up, and you won't want that.

**Gemini 5/21-6/20**

A business or romantic partner might be in a foul mood and not very likely to tell you why, Gemini. It won't be all that easy to deal with, but it probably doesn't relate to any trouble between you. Therefore, it's best to let your partner work it out alone. Take care to stay cool and keep a safe distance between you, at least for today. The mood should pass by tomorrow.

**Cancer 6/21-7/22**

Have you been exercising beyond your fitness level, Cancer? If you have, you're probably feeling very tired, sore, and out of sorts. Take it easy today, even if you don't want to. You can still exercise, but concentrate on yoga and tai chi rather than more strenuous programs like aerobics. Push yourself a little, but not too much. The idea of "no pain, no gain" is a fallacy.

**Leo 7/23-8/22**

A goal you've recently been on the verge of attaining may suddenly hit unexpected setbacks, Leo. However major or minor they are, it's going to be disheartening. The only thing you can do is pick up the pieces and move on. The goal isn't dead in the water. There are only some extra tasks that

need to be done before you achieve it. Do what you have to, and hang in there.

**Virgo 8/23-9/22**

You could be introduced to a new person today Virgo. He or she may be someone who will play a very important role in your life at one point. You will feel an instant connection and find out you share a passion for the same kinds of things. This person could turn out to be a very good friend, and romance is also very likely. Take it slowly and see what happens.

**Libra 9/23-10/22**

Is there a secret you're obsessed with unveiling, Libra? Something strange could be going on in your neighborhood, or it might be an intellectual puzzle. Whatever it is, you're determined to discover the truth. You may do things you wouldn't normally do. Don't be too pushy with questions. Confine your research to books, newspapers, and the web. You can find a few clues without alienating anyone.

**Scorpio 10/23-11/21**

Various intellectual or humanitarian subjects you've been reading about have changed your value system, perhaps subtly, Scorpio. You may not notice it until you hear someone mention beliefs like those you used to hold. It might be uncomfortable to realize that such profound changes have occurred in you, but it's only a natural part of personal

growth. Everything changes, so why not you?

**Sagittarius**

**11/22-12/21**

A temporary separation from a love partner might have you in a very gloomy mood, Sagittarius. Attempts to reach your friend by phone might prove fruitless. You might grow more and more frustrated and angry. There isn't much you can do other than leave messages. Don't let your insecurity get the best of you. Find something else to do until your friend has a chance to call. Better late than never.

**Capricorn 12/22-01/19**

Expect to be frantic if you have to take care of something that's time critical today, Capricorn. People and situations aren't in your favor. Everything will seem like a challenge. Prioritize tasks and do them slowly and cautiously one at a time. If you push too hard, you will make mistakes and wear yourself out. The world won't end if you don't finish all your tasks.
