er registry for sexual assaults against other children. Miller bought his niece a secret cell phone, and the two exchanged over 2900 messages. Miller told his minor niece he loved her and only wanted to be with her. Miller further told his niece he would divorce her aunt for her, and they would be married. From December 29, 2019, through January 2, 2020, Miller took his niece on a long-haul trucking run to New Mexico and during the trip raped her multiple times. On August 14, 2020, while incarcerated and awaiting trial, Miller was taken to a local hospital for a procedure where he attempted to escape.

U.S. Attorney Francis M. Hamilton III of the Eastern District of Tennessee made the announcement. The criminal indictment was the result of an investigation by the Federal Bureau of Inves-

tigation.

Assistant United States Attorney Jennifer Kolman represented the United States.

This case was brought as part of Project Safe Childhood (PSC), a nationwide initiative launched in May 2006, by the Department of Justice to combat the growing epidemic of child sexual exploitation and abuse. Led by the United States Attorney's Offices and the Criminal Division's Child Exploitation and Obscenity Section, PSC marshals federal, state, and local resources to locate, apprehend, and prosecute individuals who sexually exploit children, and to identify and rescue victims. ## Horoscopes

work properly. Unless it's urgent, it might be better to wait until tomorrow to try to reach them.

Cancer 6/21-7/22

Conflict over money could get in the way of your usual cordial relationships, Cancer. Attention to the household budget is definitely needed. Unexpected events may require some immediate purchases that you hadn't planned on. They might require some scrimping, but you should be able to minimize the need if you plan carefully.

Leo 7/23-8/22

Your mother and father, or a couple you're particularly close to, could visit you today, Leo. Plan some distractions like movies or videos, or invite some other people over. Talking with this couple alone might result in heated discussions that accomplish nothing but get everyone worked up and stressed. Whatever happens, don't let it get you down.

Virgo 8/23-9/22

This isn't a good day to go out, Virgo. Traffic is probably awful. Don't trust any gossip that comes your way! It's probably passed

through at least half a dozen people and retains little, if any, of the facts.

Libra 9/23-10/22

Some unusual events could cause you to feel discontented from your life and contemplate some big changes, Libra. Money matters might need attention and could prove frustrating. Outrageous ideas for improving your financial status could come to mind. Make a list of options, then wait a few days before making serious plans.

Scorpio 10/23-11/21

Recent activities have suddenly made you bored with your job and the people you deal with. You may feel restless and contemplate changes to your professional life, Scorpio. This could be appropriate now, but it might not. It's best to look at your options logically and practically.

Sagittarius

11/22-12/21

A lack of time to pursue your spiritual and intellectual interests could weigh on your mind today, Sagittarius. Gloom might descend on you, as if responsibilities of the moment are too much for you. Try to be the observer. If a friend came

to you for advice with your problem, what would you say? Take your own advice.

Capricorn 12/22-01/19

An unexpected setback could interfere with reaching a long-term goal as soon as you'd hoped. Don't let it get you down, Capricorn. A little innovative thought and extra planning could get you back on track. This is a day best spent alone, working on projects of your own.

Aquarius 1/20-2/18

Your partner's family obligations could interfere with things you wanted to do together, Aquarius. Your desire to help could also get in the way of other responsibilities. The best way to handle days like today is to plan carefully.

Pisces 2/19-3/20

A delay in receiving a communica-

tion from a distant place could prove frustrating today, Pisces. You may be looking forward to a vacation, but responsibilities that suddenly crop up could postpone the trip.

Aries 3/21-4/19

Frustration could be the word for today. If you've made plans to meet a close friend or lover, Aries, don't count on it happening. Unexpected events might force a postponement. Problems with schedules could have you playing phone tag.

Taurus 4/20-5/20

Upsets and disappointments on the part of a family member could have the household in an uproar. Problems with household equipment could throw a monkey wrench into everyone's routine. On days like this, it's best for everyone to get out and distract themselves.
