new sense of closeness. Images and ideas that come from deep within you can contribute to your creative self-expression.

Gemini 5/21-6/20

You might spend a lot of time in conversation with friends who share your interests. Their insights could lead to new insights on your part, Gemini, and vice versa. This process could bring all of you closer together.

Cancer 6/21-7/22

Paperwork involving finances, Cancer, perhaps personal, perhaps involving your employer's funds, or both, is likely to need some intense attention during the day. This doesn't

necessarily imply anything negative.

Leo 7/23-8/22

Today you may want to spend your free time alone, contemplating various ideas, Leo. Spiritual or metaphysical philosophies from ancient cultures or foreign lands might be more appealing than usual. Reading about them at this time could approach obsession, but this is OK.

Virgo 8/23-9/22

Today, Virgo, your mind may turn toward deep subjects. You could explore the sciences, psychology, the occult, or metaphysics. You will probably discover some new facts or ideas that could keep your mind occupied for hours.

Libra 9/23-10/22

A sudden upsurge in your intuition could have you feeling more in tune to the thoughts, feelings, and desires of others, Libra. Your communication is going to be clear and open as a result. You're likely to grow closer to everyone dear to you,

especially your romantic partner.

Sagittarius 11/22-12/21

Expect to spend much of your day alone, Sagittarius. Information obtained from books or videos, perhaps involving history, philosophy, or religion, might inspire you to look deeper into a subject and turn it to your own advantage. You might decide to take a trip or return to college.

Capricorn 12/22-01/19

Some strange dreams could stimulate your imagination and start you on new avenues of exploration. You might at

some point play detective. What you seek is likely to be within your psyche. Don't be surprised if you learn new things about yourself that you hadn't been aware of before. You could also find your psychic faculties increasing.

Aquarius 1/20-2/18

Reading could take up a lot of your time today, Aquarius. Books on psychology or the occult sciences might seem interesting, particularly as your intuition is operating on a higher level than usual.

Pisces 2/19-3/20

Your mind is likely to be on your finances today, Pisces, and you may be searching for previously unknown ways to advance yourself. Colleagues or friends could help steer you in the right direction. appear to have been conducted by lone offenders, and all known incidents occurred at night.

Individuals require little planning to use rudimentary tactics, such as improvised incendiary devices and firearms, and may perceive these attacks as victimless property crimes.

RECOMMENDATIONS

The FBI urges the public to exercise vigilance and to look out for suspicious activity in areas occupied by Tesla dealerships or Tesla-related entities.

Potential Threat Activity:

Violent threats made on-line referencing specific Tesla properties

Inquiring or examining security measures at Tesla dealerships

Photography of security-related equipment or personnel at Tesla dealerships

Unusual surveillance or interest in Tesla-related entities

Attempts to gain access to restricted areas or bypass security measures at Tesla-related properties

RESOURCES

If there is an emergency, contact local law enforcement or 911 immediately.

To report a threat, contact your local FBI field office (<https://www.fbi.gov/contact-us/field-offices>), call 1-800-CALL-FBI (225-5324), or visit tips.fbi.gov.

Be aware of your surroundings at all times and report suspicious activities to the authorities.

Reporting these crimes can help law enforcement identify violent or malicious actors and prevent further damage.

Passed out

Guilmar Perez, 28, Ramsey Street North East Cleveland, was charged with, DUI, Driving on Revoked/Suspended

License, and Violation of Implied Consent.

Deputy Owens LCSO, was dispatched to the area of I-75 Southbound at the 67-mile marker for a disabled vehicle assist. The deputy arrived on the scene, and contact was made with Deputy Reeves with Monroe County. Deputy Reeves said that a male was inside a White Toyota Camry bearing TN registration BSN-8355 passed out. He knocked on the window repeatedly with no response from the driver. Deputy Reeves also said he observed an open Michelob Ultra 25 oz. can in the center console. The deputy hit the window multiple times to wake the driver and received no response. The deputy could tell that the driver was breathing. The deputy continued knocking on the window.

The deputy could not get the driver to wake up. When the driver awoke he immediately pressed the gas and drove the vehicle approximately 150 to 200 yards. The deputy ran to his patrol car as he thought the driver was attempting to flee. The vehicle came to a stop and the driver appeared to have fallen back asleep. The deputy approached the car and hit the window once more. The driver woke up and rolled the window down. The deputy ordered the driver out of the vehicle. The driver was identified as Guilmar Perez. Guilmar struggled to keep his balance. Guilmar couldn't tell me where he was and refused to tell me where he had been. The deputy could smell the odor of an alcoholic substance emitting from his person. Due see passed out ctd. pg. 5
